EXECUTIVE SUMMARY

PROPERTY OVERVIEW

Welcome to Zibi, the Waterfront City, a vibrant 34-acre urban community in the heart of the National Capital Region. Situated on Chaudière Island at the shores of the Ottawa River, this new urban oasis is one of the most sustainable and trendy neighbourhoods in Ottawa. The area is characterized by a mix of residential and commercial spaces, attracting a wide range of individuals and businesses that will grow to include 5,000+ residents and 6,000+ office workers.

6 Booth Street's striking architecture was inspired by antique photos of the lumber yards once located on the Zibi site. The building is steeped in history and offers several retail options with a prominent location along Booth Street and Head Street Square to the south. An ideal location for a cafe, yoga/fitness studio, clothing store, jewelry boutique, hair or nail salon, spa or restaurant. Zibi will be a place where leisure, entertainment and recreation will be seamlessly integrated.
