An extremely rare opportunity to acquire a waterside Freehouse pub in one of the most sought after coastal village locations in the region. This historic and characterful Grade II Listed property is understood to have originally been constructed around 1740 and stands mid-terrace amongst other buildings of similar character, immediately opposite the beach and enjoying uninterrupted sea views.

Kingsand, along with its twin village of Cawsand, forms a highly sought after coastal settlement, popular with tourists, holiday and second homeowners as well as permanent residents, many of whom commute to the nearby city of Plymouth accessible either by road (23 miles) across the Tamar road bridge at Saltash, or via the Torpoint car and passenger ferry some 5 miles distant. Nearby beauty spots include Rame Head, Whitsand Bay, Mount Edgcumbe Park and Antony House (NT).

Our clients have been operating the business since 2010 and have created a superb and highly reputable concern, known for its quality of food and menu choice, as well as its selection of wines and spirits etc. and ales, many of which are sourced locally.

The premises are offered subject to contract, availability and confirmation of details. The location of the Devonport Inn is truly exceptional and offers not only a highly lucrative and profitable business, but also an enviable lifestyle due to the waterside location. Just off the beach are numerous moorings where locals and visitors can moor their boats. The bay is packed with yachts and boats of all descriptions during the summer months; some who moor for a few days, others just visiting - most wanting food and refreshment! Viewing is highly recommended and we would recommend extra time is allowed for the visit to fully appreciate the Devonport Inn's stunning setting.

THE BUSINESS

TRADE is that of a TRADITIONAL AND HIGHLY REPUTABLE FULLY LICENSED FREEHOUSE INN which has been operated by our clients since 2010. The business is only now OFFERED FOR SALE due to the vendors' desire for a change in their business activities and semi-retirement.

A comprehensive range of ales, wines and spirits are offered behind the bar, many of which are LOCALLY SOURCED and with generally an eclectic wine list. Food and catering forms approx. 55% of the overall turnover and covers a range of typical bar meals including pasties, toasted sourdoughs, steaks, traditional fish and chips and with understandably an emphasis on seafoods generally. Our clients' website offers full descriptions of all of their fare – www.devonportinn.com.

The business is operated by a husband and wife team proprietorship, with one proprietor front of house and the other is chef. Additionally, the business is CURRENTLY STAFFED by a team of 14, with 3-4 full-time, the remainder being part-time.

The property has a full and free On Licence. We understand that the CURRENT OPENING HOURS are from 11am to 11pm daily. As would be expected, the business does have a seasonal bias, the peak period being between March and the end of October, although it has been found since the COVID pandemic that what used to be classed as the "off season" has become far more popular with visitors coming to the South West generally on a more all year round basis. The pub also has a following of local regulars and is able to draw business from the nearby city of Plymouth, especially at weekends, all year round.

We understand that the TURNOVER for the latest financial year amounts to approximately £700,000 excluding VAT, achieving EXCELLENT PROFIT MARGINS. Additional trading figures will be made available to serious prospective buyers once they have actually inspected the premises.

We understand that WET AND DRY STOCKS AND BAR GLASSWARE to be taken over at valuation upon completion should amount to approximately £10,000.
