

INNOVATION BIRMINGHAM

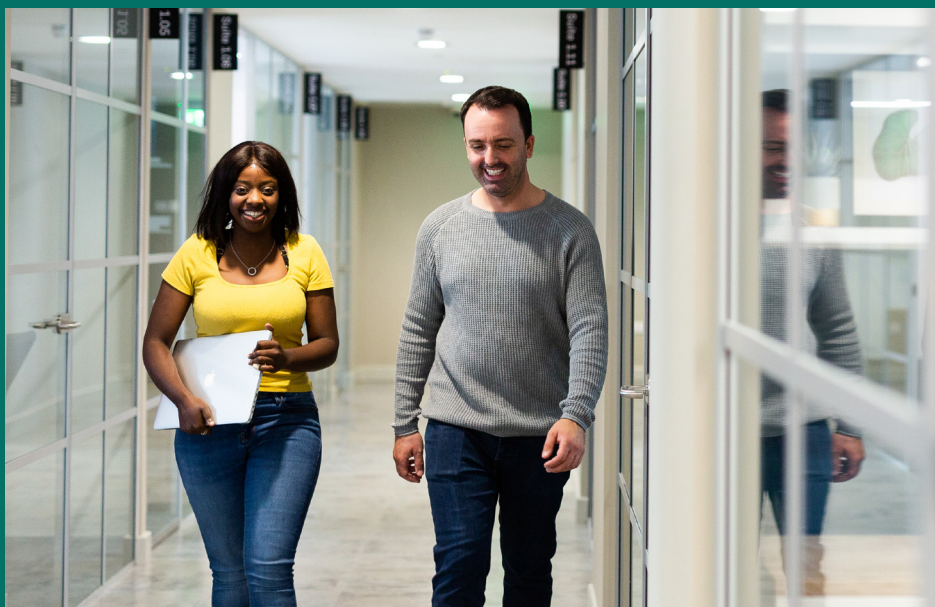

Innovation Birmingham, Holt Street, Birmingham, B7 4BP

Innovation Birmingham, in the heart of the Knowledge Quarter, is the region's leading digital and tech campus. Over 170 businesses are based here, within fifteen minutes walk of Snow Hill station and five minutes from Birmingham City and Aston Universities.

The campus offers serviced and conventional office space, alongside flexible coworking options. A busy roster of community events and meetups provides networking opportunities for all, whilst the Serendip Business Support connects agile start ups with corporate and public sector organisations in an innovation challenge led environment.
