"I have always been very impressed by the service I receive at Leigh House. The building itself is tremendous and Sonia is a very professional and an enthusiastic member of the team. Leigh House has a proud place in local history as it was once a Mill House, occupants today enjoy a tremendous facility and is an ideal venue to meet clients."

James Bowling – The Squeaker Magazine

A very convenient location, midway between Leeds and Bradford, but nice and quiet in beautiful grounds. The offices are in a Grade II listed building but with modern facilities so the best of both worlds. Very good value for money in my opinion.

Simon O'Hanlon - Air Marine (UK)

"Leigh House provides us with an ideal solution for our business needs; a central location which provides high quality office space, professional meeting rooms/conference facilities, free on-site parking and very friendly staff. We would highly recommend them."

Kelly Hoyland - Noble Clean

"Leigh House offers a great location, lovely building, very friendly and helpful staff, and the big bonus of on-site parking - all at a very competitive price. It's a pleasure to be based here."
