FLEXIBLE, AFFORDABLE WORKSPACE

CoVault is an ultra-flexible workspace company that offers month-to-month contracts for micro and small businesses - with 19 locations across Scotland.

We understand that a business needs more than just an office. That's why our workspaces include conference facilities, meeting rooms, kitchens and lounge areas - providing a perfect setting to spend lunch unwinding or networking with other members.

We also know that business needs can change rapidly. Our monthly rolling contracts give you the ultimate flexibility to grow your space as your needs change.

Being located within a large glass building, this office is extremely well lit by natural sunlight and architecturally it is a very attractive business centre. The windows are also lined with indoor plants giving it a refreshed and energised feel to the space.

Internally, there are a range of flexible offices available which are suitable for a variety of businesses. Offices are fully furnished with modern and comfortable furniture and supplied with plentiful power points.

With access to comfortable lounge areas, a modern kitchen and meeting room – CoVault East Kilbride is the perfect space for your small business.
