RICS CODE OF PRACTICE FOR COMMERCIAL LEASES

You should be aware that the Code of practice on Commercial Leases in England and Wales strongly recommends you seek professional advice from a qualified surveyor solicitor or licensed conveyancer before entering into a business agreement. The Code is available through professional institutions and trade associations or via the website www.commercialleasecodeew.co.uk

SUBJECT TO CONTRACT

Under the Control of Asbestos at Work Regulations 2002 (CAW Regulations), the owner or tenant of the property, and anyone else who has control over it and/or responsibility for maintaining or repairing it, may be under a statutory obligation to detect and manage any asbestos or asbestos related compounds contained within the property. Failure to comply with the CAW Regulations is an offence and could adversely affect the value of the property.

The detection of asbestos and asbestos related compounds is beyond the scope of BLS Estates' expertise and accordingly:-

- (1) BLS Estates makes no responsibility as to the presence or otherwise of any asbestos or asbestos related compounds in the property.
- (2) BLS Estates strongly recommends that prospective purchasers obtain advice from specialist environmental consultants if they have any concerns about asbestos related issues.

Whilst every effort has been made to ensure accuracy of these particulars, they are prepared for guidance only and do not form part of any contract.
