TO LET

DESCRIPTION

The refurbishment includes a new composite clad roof with roof lights, composite clad profile elevations, new painted flooring, two storey offices / amenity and LED lighting.

The property benefits from dual frontages to Scudamore Road and Murrayfield Road, along with a 360 degree circulation and secure yard areas.

6 x dock-level loading doors with maximum height of 4.40m are incorporated to the Murrayfield Road elevation.

There are concrete and tarmac yard areas serving the main loading to the front and rear elevations together with level access loading facilities (canopy to part) to each side of the warehouse. Internal clearance ranges from 6.2m (eaves) to 9.2m (apex) with solid concrete flooring throughout.

and daylight
saving lighting

Secure
yard

LOCATION

Leicester is a major East Midlands City with a population of circa 350,000 lying to the east of the M1 motorway at Junctions 21 and 22 with Junction 21 being the link with the M69 motorway accessing easily into the West Midlands.

The City has, historically, been known for the hosiery and footwear industries although, more recently, warehousing and distribution has become a major employer alongside the motorway junction.

Leicester is a major University City including both the University of Leicester and De Montfort University with approximately 40,000 students.
