## THE LOCATION

Tyne Tunnel Estate provides excellent access to the North East's major road networks as well as a local workforce renowned for being highly capable and cost effective.

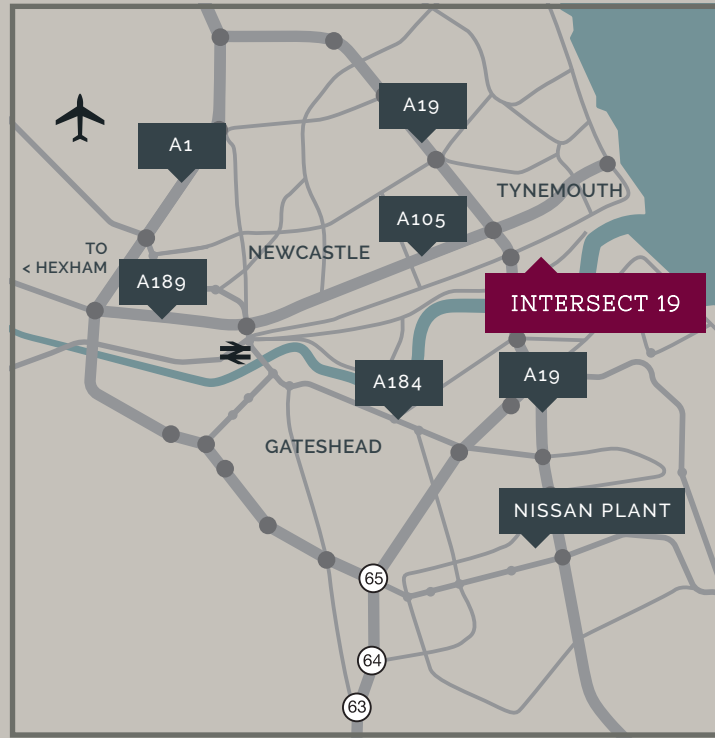

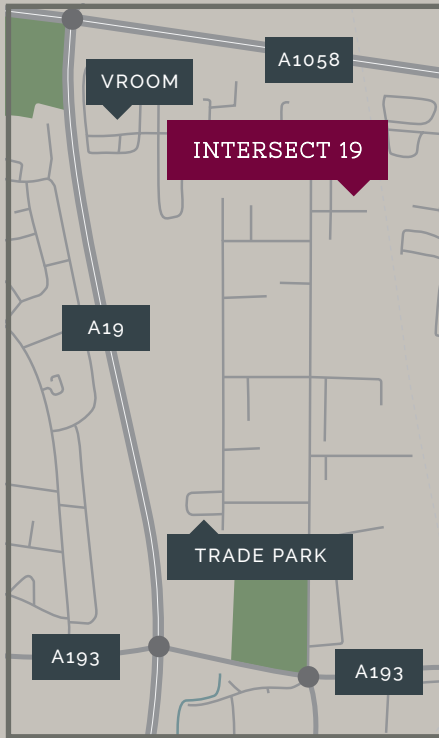

The estate is adjacent to the A19 Tyne Tunnel approach and the A1058 Coast Road. Newcastle City Centre is located less than 7 miles to the west via the A1058 with Sunderland City Centre 12 miles to the south via the A19.

Newcastle International Airport offers regular flights to destinations across the UK, Europe and Dubai as well as air freight facilities, while Ports of Tyne and Sunderland are both situated in close proximity.

The estate is exceptionally well served by public transport. The Route 19 bus service provides access from surrounding residential areas as well as linking to other modes of transport including Metro stations at Northumberland Park, Percy Main and North Shields town centre as well as the North Shields ferry. The service also visits retail and leisure outlets including Silverlink Retail Park and Royal Quays Leisure Park and Factory Outlet.

The extensive improvements carried out to the Silverlink junction have enhanced the A19's reputation as one of the main north - south arterial routes across the region.
