Description

The property comprises a steel-truss, mid-terrace warehouse unit with brickwork elevations beneath a pitched roof. The ground floor comprises an open-plan warehouse, accessed via an electric roller shutter door and serviced by a dedicated loading bay, with ancillary office accommodation arranged over the ground and first floors.

The unit benefits from a minimum height of approximately 3.6m, rising to a maximum of 6.2m, three-phase power and welfare facilities, together with approximately six dedicated parking spaces.

Location

Stadium Business Centre is located just off Fourth Way, an arterial route serving the Wembley Stadium industrial district. The estate is conveniently positioned, providing quick access to the A406 North Circular Road and the Hanger Lane Gyratory system.

The property also benefits from convenient access to the wider motorway network, including the M1, M25 and M40, together with the A40 Western Avenue into Central London.
