MANDALE PARK WF10

THE UNITS

We will be constructing 38 2 storey industrial units.

Internally, the hybrid units are split over two levels; the ground floor features warehouse/storage accommodation, accessed via an electric roller shutter. The first floor provides a high specification multi-purpose accommodation alongside a kitchenette, ideal for an office but adaptable to suit any needs. The external envelope is of facing brickwork construction with a glazed entrance facade.

The hybrids have been designed with occupier affordability in mind; solar panels, LED fittings and electric panel radiators throughout contribute to excellent EPC ratings and low running costs. The property also benefits from a ten year insurance-backed build warranty.

SOLAR:

Every unit is fitted with its personal solar panel system, ensuring significant cost savings while granting you access to renewable energy right at your fingertips.

LOCATION

Situated at Flass Lane, Castleford, WF10 5JN. The business Park will abut the M62 east lane. The access from junction 32 also lends itself to the entrance to Xscape Village, a well known tourist spot packed full of fun activities such as skiing, shopping, cinema and more.

There has been a large increase of new build homes here bringing thousands of families to the area, an ideal location for a business park.

THE DEVELOPMENT:

Beyond the generous specification of the units, our business parks take pride in providing top-notch amenities and facilities for its tenants. Expect features such as 24 hour security systems, ample free parking spaces and well-maintained common areas. The aim is to create an environment where businesses can focus on what they do best in a location they love.

TERMS

Available by way of a new full repairing and insuring lease with the enclosed cost shown incorporated.
