The downstairs office area features a reception desk and foyer, three offices, a large conference room, a file room and two restrooms. Configurations that include the downstairs flex space provide an additional office and storage area.

The property offers a versatile setting for office, flex and industrial users seeking administrative space alongside storage and operational functions. Its East Tampa location near US 301 provides connections to I-4 and I-75 for regional access. All areas are approximate; final premises and shared-access arrangements are subject to the lease.
