## KEY HIGHLIGHTS

- Excellent development opportunity suitable for a variety of different uses
- Highly sought after and affluent location
- Excellent roadside frontage
- 1.40 acres (0.56 hectares)
- Informal tenders sought by noon Friday 6<sup>th</sup> March 2026

## LOCATION

The site fronts onto Callerton Lane in the highly sought after suburb of Ponteland in Northumberland. Widely considered to be one of the most affluent and desirable market locations in North East England, Ponteland is located approximately 8 miles north west of Newcastle City centre, 10 miles south west of Morpeth and 15 miles north east of Corbridge. The high value neighbouring suburb of Darras Hall is located immediately to the south west.

Road access to Ponteland is provided from the A696 which connects directly onto the A1 (M) to the south east which, in turn, facilitates access to the wider road network. Ponteland is located immediately north west of Newcastle International Airport which provides connectivity to various internal and international destinations. The airport also forms part of the Tyne and Wear Metro system which facilitates access to 60 regional destinations including Newcastle City centre, Gateshead, North Tyneside, South Tyneside and Sunderland.

Surrounding land uses are characterised by high value, low density detached family homes. Nearby commercial and community uses include Ponteland Leisure Centre, numerous well performing schools and various popular bars and restaurants.

## DESCRIPTION

The site is broadly rectangular in shape and extends to approximately 1.40 acres (0.565 hectares). Formerly occupied by 'Lane Nurseries', the site accommodates various greenhouse structures which are situated to the centre of the site. A track runs along the southern boundary which provides access to three residential bungalows situated to the west of the site, which will be demolished by the vendor prior to completion.

Land to the north of the site is owned by the vendor, who has submitted a detailed planning application for the development of a food store, which is yet to be determined. More information on this planning application is included in the information pack, which is available upon request.

The site is bounded by Callerton Lane to the east, residential housing to the south and undeveloped land to the west. A public footpath intersects the southern aspect of the site.

## PLANNING

The Development Plan for the site comprises the Northumberland Local Plan (adopted in 2022) and the Ponteland Neighbourhood Plan (made in 2017).

According to the adopted Development Plan, the site is not allocated for any specific use and is located within the settlement boundaries of Ponteland. It is noted that the site is located within a high value area for affordable housing, Sand and Gravel Mineral Safeguarding Area and Kielder Water Resource Zone.

The site falls outside of Ponteland's designated Conservation Area.

Under reference number 25/03877/FUL, a planning application was submitted for land immediately north of the site in November 2025 for the demolition of its onsite structures and the erection of a food store, together with associated access, parking and landscaping, which is yet to be determined. It is intended that access to the subject site will be provided off a spur road feeding off Callerton Lane, which shall be delivered by the vendor.

Savills is of the opinion that the site presents developers with an extremely rare opportunity to deliver a high quality development that is likely to be suitable for a variety of uses, situated in a sustainable and highly sought-after location of Northumberland, subject to planning permission and all other necessary consents.
