Description

Step into a one-of-a-kind workspace at Pennington Street Warehouse, where history meets high-spec design. Originally constructed in 1804, these Grade II listed buildings have been thoughtfully restored to offer a mix of fully fitted and customisable office spaces across four distinct units, The Wine Yard, The Silk Store, The Rope Store, and The Brandy Store, totaling over 51,000 sq ft. With exposed brick, soaring ceilings, and stunning archways, these offices are designed to inspire creativity and connection.

The Wine Yard is fully fitted and ready for immediate occupancy, while The Silk Store offers shell and core availability for bespoke fit-outs. Future availability includes The Rope Store and The Brandy Store, both set for 2026.
