A rare opportunity to lease approximately 30,000 sq ft of open storage land in a well-connected commercial location within Cressex Business Park.

The unit is suitable for B8 (Storage & Distribution) use and provides an ideal solution for businesses requiring secure open storage for vehicles, plant, machinery, containers, building materials, or general commercial storage.

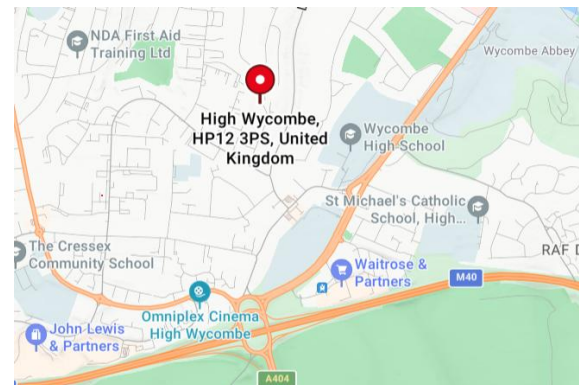

With excellent access to the local road network and the M40, this property offers a practical and strategically located storage solution. Available immediately.
