Description

Stable Court is an attractive two storey period property arranged around a central courtyard in an attractive and mature rural setting. Particular features of the property are the entrance archway, the clocktower/cupola and the Georgian windows.

The available accommodation comprises part of the Stable Court building arranged over ground and first floors and each suite is completely self-contained. The offices comprise perimeter trunking, fully functioning kitchens, male and female WC's, and unique lighting to provide potential for an attractive showroom. Much of the office space is divided into a number of well-proportioned rooms, providing excellent practicality for modern working requirements.

The owners will consider alternative uses in the premises, and refitting with alternative lighting and layout to suit.

Car parking spaces are allocated for the occupier's use in the dedicated fenced parking area located adjacent to the Stable Court building.

The adjoining storage unit is Crendon Barn which comprises 3,519 sq ft of warehouse space. Formerly used as an agricultural building, the property has been refurbished to a high standard, benefitting from two electrically operated roller shutter doors and a minimum eaves height of 4m. For further information please contact the joint sole agents.

Location

The building forms part of the Herriard Park Estate, approximately 10 minutes from central Basingstoke via the A339. Basingstoke provides a mainline railway service to London Waterloo (45 minutes).
