Location

Tewkesbury is a historic market town in north Gloucestershire, positioned approximately 10 miles north of both Cheltenham and Gloucester. It lies around 48 miles north of Bristol, 45 miles south of Birmingham and approximately 105 miles west of London. The town benefits from excellent road links and an attractive work / life environment, which has drawn a wide range of national companies, retailers and restaurateurs.

With designated Garden Town status, Tewkesbury has emerged as one of the UK's fastest-growing economies outside London, as reported by the Office for National Statistics. This momentum is underlined by significant recent investment, such as Dobbies Garden Centre and the Cotswold Designer Outlet Village at Junction 9 of the M5 motorway.

The property benefits from a highly visible corner location at the junction of High Street and Sun Street, surrounded by a diverse mix of retail, food and drink, and service amenities, including a Tesco supermarket nearby.
