Description

There are two separate buildings.

Church Farm Barn comprises an attractive, detached, stone-built period barn, which has been refurbished to a high standard. Access to the property is gained via glazed entrance doors into an office administration reception area. The unit has its own self-contained WC and kitchenette facilities. Heating is provided via underfloor heating.

The main barn comprises an open plan, full height, area with exposed timbers and a commercial loading door to the rear. Ancillary heating is provided via a wood burner.

The storage unit comprises a refurbished storage/light industrial unit constructed of a clear span portal frame. Vehicle access is gained via an electric roller shutter door. Minimum internal eaves height 4.7m.

To the side is an additional enclosed storage unit with commercial vehicle access. Minimum internal eaves height 3.92m.

Externally, there are allocated parking and service yard areas.
