AVAILABLE IMMEDIATELY - EARLY INCENTIVES AVAILABLE

Folkestone Trade Park comprises ten industrial/warehouse units of steel portal frame construction with part brick and block elevations, surmounted by new profiled steel cladding beneath a new Kingspan composite roof incorporating approximately 15% roof lights.

The estate has recently undergone a comprehensive redevelopment programme, delivering high-quality trade and warehouse accommodation with upgraded building fabric, services, and yard layout.

Nine units have been newly reconfigured - several of which are already under offer - providing flexible accommodation suitable for trade, storage, or light industrial use.
