EXECUTIVE SUMMARY

An aerial photograph showing a large mixed-use development site. In the foreground, there are several modern residential buildings with brown roofs. A multi-lane road runs diagonally through the center, with several cars and trucks. To the right, there are commercial buildings, including a large one with a solar panel array on its roof. The site is surrounded by trees and some construction activity, with a partially cleared area in the middle. The background shows more industrial or commercial buildings and parking lots.

- 2.63 acre site with implemented planning permission for 203 units and 370 sqm of ground floor non-residential units and doctors surgery of 280 sqm.
- Freehold Land Registry Title No. EX819029.
- The property is situated in a mixed use location with residential sitting alongside commercial occupiers including Bannatyne's Health Club and Spa, Sainsbury's and Premier Inn.
- Immediate road connections to Arterial Road West Thurrock, A126, A13 and M25.
- Partially cleared site suitable for alternative uses, subject to planning.
- Unconditional offers invited for the freehold interest

LOCATION

The site is located at the north east of Howard Road, a cul-de-sac that services the adjoining Premier Inn Hotel and the Trelawney Place residential complex, to the north of Bannatyne’s Heath Club & Spa in the conurbation of Chafford Hundred, Essex.

The site is extremely well connected. Howard Road is accessed from the roundabout at the junction of Fleming Road, Fenner Road and Burghley Road in a largely commercial area to the north of West Thurrock and Chafford Hundred. Burghley Road is accessed from the A1306 Arterial Road that runs from junction 31 of the M25 to Tilbury servicing Lakeside, Thurrock and other local conurbations. The A1306 Arterial Road runs parallel with and is accessed by, in turn, the A13. The A13 is the main route from Central London to south Essex, particularly Tilbury and London Gateway.

Chafford Hundred mainline railway station (C2C Train, London Fenchurch Street to Tilbury and Southend) is about 0.5 miles to the south via Fleming Road.

PROPERTY DESCRIPTION

The property is a 2.63 acre (1.06 hectare) mainly rectangular shaped and level site. The site has been largely cleared although some relatively recently constructed structures remain that implement a previous residential planning permission.

DEVELOPMENT & PLANNING

There is an extent planning permission related to the site (ref. 16/00307/FUL). Mixed use development to provide 203 no. residential units, landscaping, car/cycle parking, commercial units (370sq.m.) comprising Class A1 (shops) / Class A2 (financial and professional services) / Class A3 (food and drink) / Class A4 (drinking establishments) / Class A5 (hot food takeaways) / Class D1 (non-residential institutions) floorspace and a doctors surgery (280sq.m.) This permission has been formally implemented and therefore 'saved' from lapsing. Thurrock Council has issued a Lawful Development Certificate, which acknowledges the lawful implementation of permission (Ref.22/00067/CLEUD).

The Thurrock industrial policy, as outlined in the Core Strategy and Policies for Management of Development, is focused on maintaining high and stable levels of economic and employment growth. This is achieved through the creation of Key Strategic Economic Hubs, which provide industrial, commercial, and mixed-use land. Each party are advised to make their own enquiries with Thurrock Council.
