SOMETHING FOR EVERYONE

We know that people make your business what it is and that attracting and retaining those people is key. Located in one of the UK's most transformational areas, Park Royal is surrounded by leisure, shopping, and entertainment options – from cinemas to retail parks, pubs to restaurants.

SPACE THAT WORKS FOR YOU

Imagine a warehouse that can adapt to your business needs. DC1 features a flexible mezzanine that can be transformed into additional storage, bespoke office areas, wellbeing zones, or any amenity you need.

With the potential to also convert the car park into additional yard space - this space can be re-designed with flexibility in mind. Our 'refurb to suit' approach means that by engaging early, the refurbishment can be tailored to support your specific operational requirements, creating a space that truly works for you.

THE PARKLIFE™ EXPERIENCE

I will be your main point of contact. I am passionate about the customer service we provide and derive real pleasure from watching the businesses on our Parks thrive. My real focus is around understanding our customers’ needs and helping them grow within our network.

MILENA BLAIR
Real Estate & Customer Experience Manager

“From 15 years working with Prologis, I’ve found them to be extremely engaged and supportive of our ambition to be an employer of choice in the local area. We’re in regular contact and have collaborated recently on a full refit of LED lighting and are currently in ongoing discussion about other initiatives to support our ESG commitments. The Prologis team are a real pleasure to work with and we look forward to working closely together for years to come.

Michael Gray, General Manager, Halfords.
