Summary

Available Size	235 sq ft
Rent	£570 per month Inclusive of service charge, utilities, property insurance, communal cleaning and external property maintenance but exclusive of business rates.
VAT	Applicable
EPC Rating	Upon enquiry

Description

Located within Macclesfield's established leisure and hospitality area, The Motorworks offers flexible workspace in a central town centre position. Surrounded by a strong mix of independent cafés, bars and restaurants, the building provides an attractive working environment with excellent day-to-day amenity for staff.

Flexible lease terms are available from 12 months. The property benefits from an extensive on-site car park (monitored by ANPR), with dedicated parking provided at an excellent ratio of 1:268, included within the rent.

The accommodation is arranged over ground, first and second floors, with kitchen facilities on each level and a communal meeting room within the building. Access is via an impressive shared reception with secure door entry to the building.

The final remaining suite is the Morris Suites, located on the second floor and has been newly refurbished, providing 235 sq ft of open-plan office accommodation.

All rents are inclusive of utilities, service charge, property insurance, communal cleaning and external maintenance but exclusive of business rates.

Location

The Motorworks is located on Chestergate, less than a 5-minute walk from the main pedestrianised retail area of Macclesfield. The building is located adjacent to The Picturedrome Food Hall destination which has attracted several new food and beverage operators and retailers to the immediate vicinity.

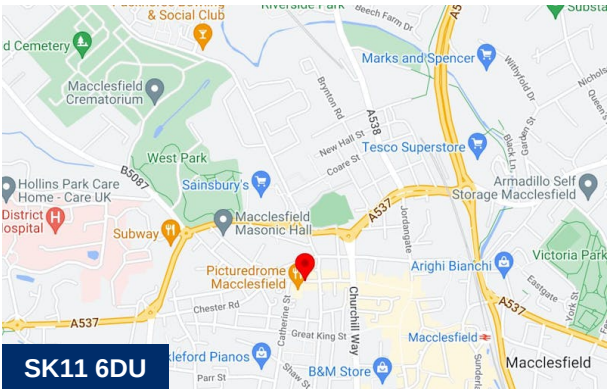

Macclesfield Railway and Bus Stations are approximately 10-minute walk from The Motorworks. Additional car parking is only a two minute walk from the Motorworks at the Whalley Hayes car park.

Macclesfield is uniquely situated between the Peak District & the Cheshire Plain, enjoying breath-taking countryside, rivers, canals, reservoirs, and woodland. It also has the benefit of a West Coast Mainline Railway Station making Macclesfield very easily accessible from Manchester (22 mins) and London (1:48 mins). Macclesfield is also well located for road travel, with access to the North West Motorway network via the M60 and M56 motorways, both being 12 miles distant. The connectivity has been further improved with the opening of the SEMMMS road which links Manchester Airport and the A6, as well as the opening of the Poynton bypass which opened in early 2023. The bypass has reduced the journey time to Manchester Airport and the M56 even further.
