- ✓ Accompanied viewings

Description

For sale via secure sale online bidding - terms and conditions apply.

82 Locksway Road presents an excellent opportunity to acquire a well-established commercial property with significant development potential, offered via the Modern Method of Auction.

Currently classified under B1 use, the property has been successfully operated as office space for over 30 years, making it ideal for continued commercial use. However, its true appeal lies in its versatility and scope for conversion (subject to the necessary planning consents). Prospective buyers may wish to explore options such as transforming the building into a spacious three-bedroom family home, creating two one bedroom flats, or developing a mixed-use scheme with a commercial unit on the ground floor and a residential flat above.

The property further benefits from valuable rear access, enhancing both its practicality and development potential. Situated in a well connected location, this is a rare opportunity for investors, developers, or owner-occupiers looking to unlock value in a flexible space

Early interest is expected contact us today for further details on how to participate in the Modern Method of Auction.

Please note we have not inspected this property.

Price: Starting Bid £140,000

Property Type: Commercial Development
