1 Introduction, Existing Accessibility and Travel Plan Framework

1.1

Introduction

The proposed restaurant is situated to the west of Beach Road, north of Troon town centre, and is bounded by a grassed areas to the north and south, Beach Road to the east and a shared footpath/ cyclepath and the beach to the west. The site layout in relation to Troon town centre and Barassie is shown in Figure 1 (Appendix A).

Part of the site was occupied by a public convenience building which was recently demolished to make way for the proposed restaurant. In addition, the existing car park will be extended into part of the grassed area to the north to provide a total of 28 spaces including 2 marked for disabled use, with vehicular access from the existing priority junction on Beach Road to cater for customers.

Proposed Site Layout Plan of Restaurant and extended car park

Pedestrian access is via the existing shared footpath/ cyclepath along the western boundary of the site and also via the signalised pedestrian crossing of Beach Road from the footways along the eastern side of Beach Road and then along both sides of Burnfoot Avenue.

Planning consent for the restaurant was granted by South Ayrshire Council in September 2015, which included a number of conditions. One of the conditions requires

“That before the operation of the facility commences a Travel Plan, shall be submitted for the formal prior written approval of the Council as Planning Authority (in consultation with the Council as Roads Authority).”

Livingstone & Partners Ltd has been commissioned to prepare this Travel Plan.

1.2 Existing Accessibility of Proposed Restaurant

The accessibility of the proposed restaurant by walking, cycling and public transport modes has been reviewed and is provided in the following sections.

Figure 2 (Appendix A) summaries diagrammatically the accessibility of the proposed restaurant, showing 400m, 800m and 1,600m walking distances, the adjacent core paths, cycle routes, bus routes and stops and Barassie train station.

1.2.1

Walking

The pavement provision throughout the surrounding area consists of standard footways approximately 1.5 to 3 metres in width and a shared footpath/ cyclepath of 2.5 metres in width. All the footways are lit and well maintained, although the shared footpath/ cyclepath is unlit.

The main pedestrian routes surrounding the proposed restaurant are:

- The shared footpath/ cyclepath along the western boundary of the proposed restaurant from North Shore Road at Panrock Court to Beach Road at Kilmarnock Road. This shared footpath/ cyclepath is approximately 2.5 metres in width but is not lit.
- Beach Road (and also North Shore Road) has a footway along the eastern side of the carriageway approximately between 1.5 and 1.8 metres in width running along its length between Kilmarnock Road in the north and Parnrock Court to the south and then on both sides until Barassie Street. The footways are well maintained with adequate street lighting.
- Burnfoot Avenue - Burnfoot Avenue has footways between 1.8 and 3 metres in width between Beach Road and Kyle Drive/ Walker Avenue. The footways on Burnfoot Avenue are well maintained and have street lighting along its length.

1.2.2

Cycling

Within the immediate vicinity of the proposed restaurant, there is a shared footpath/ cyclepath along the western boundary which is part of National Cycle Network, National Cycle Route 7 (NCR 7). NCR 7 locally links Ayr, Prestwick, Troon and Irvine, before heading north to Glasgow or south to Maybole and Newton Stewart. A further local cycle route runs along the eastern side of the railway line between Kilmarnock Road and Craigend Road.

1.2.3

Public Transport – Bus and Rail

Bus

Existing bus stops are located on Walker Avenue close to the proposed restaurant.

The northbound bus stop on Walker Avenue (close to North Shore Road) has a bus stop flag and timetables information display while the southbound bus stop has a bus stop flag, timetables information display and a shelter. These two bus stops are approximately 500 metres away from the proposed restaurant.

Southbound bus stop on Walker Avenue near North Shore Road

Northbound bus stop on Walker Avenue near to North Shore Road

There are three scheduled bus routes (Stagecoach Western's 10/110, 14 and 14A) which serves the bus stops on Walker Avenue.

Rail

The nearest rail stations are Barassie and Troon which are approximately 800 metres and 1.8 kilometres respectively from the proposed restaurant. There is a 15 minute service from Ayr to Glasgow Central via Irvine, Kilwinning and Paisley which serves at both Barassie and Troon rail stations.

1.3 Measures to Influence Travel Behaviour - Travel Plan Framework

1.3.1

Background

'Travel Plan' is the generic term used to encompass initiatives to encourage sustainable modes of travel by reducing the dependency on single-occupancy car use, in order to reduce the environmental impacts of transport. A Travel Plan provides a strategy for an organisation to reduce its transportation impacts and to influence travel behaviour. The adoption of Travel Plans by employers in the UK is an important element of the Government's integrated transport strategy outlined in the 1998 Transport White Paper, 'A New Deal for Transport: Better for Everyone'.

A Travel Plan can incorporate a range of transport-related initiatives to address different transport aspects, including customer journeys, commuter journeys (specifically devised to manage travel to and from the workplace), business travel (all journeys made in the course of the working day), and fleet management (lorries, company cars). The elements of a Travel Plan are varied and can incorporate a broad package of complementary measures, depending on the objectives.

1.3.2

Travel Plan Objectives and Framework

The objectives and benefits of a Travel Plan for the restaurant will be understood and communicated to all staff from the outset. The Travel Plan will:

- encourage the use of sustainable modes of transport; and
- reduce the percentage of single occupancy journeys.

For the Travel Plan to be implemented successfully all management and staff will be educated as to the personal and business benefits accrued through greener travel. The benefits of the Travel Plan that will be highlighted include the following:

- improving accessibility overall and tackling congestion problems (should any localised congestion be predicted to occur);
- more efficient use of available car parking spaces;
- raising image with respect to environmental credentials; and
- increased productivity and staff morale.

The next steps of the Travel Plan will address the following:

- Establish the travel mode baseline;
- Co-ordination of the travel plan and consultation arrangements;
- Communication and promotion of the plan and its benefits; and
- Identification of further measures if appropriate.

1.3.3

Awareness & Marketing

The Travel Plan Co-ordinator will be responsible for promoting the Travel Plan and its benefits to all staff.

Experience has shown that people respond well to initiatives that result in personal benefits such as time and cost savings and these would be marketed to staff. Leaflets, posters and other written media would be available to all staff to raise awareness of the Plan.

1.3.4

Specific Measures

In order for travel plans to be as effective as possible at satisfying their intended objectives, they have to be organic documents, which would be updated as circumstances change. The identification of specific measures will be most effective once a travel survey base line has been established 6 months after the opening of the restaurant.

1.3.5

Travel Plan Co-ordinator

The Travel Plan Co-ordinator will be appointed, who will be responsible for developing and enhancing the travel strategy. Duties will include liaison with area travel forums, meeting and discussion with travel providers etc. The Transport Co-ordinator will also maintain a travel database accessible by all staff.

Green transport solutions for the restaurant would be implemented include:

- Promote health and fitness benefits of not using the car;
- Provide secure staff lockers for storing clothes and valuables;
- Provide secure on-site cycle storage;
- Provide bus timetable information within the building;

A combination of the above measures will provide a number of incentives to staff to use non-car based transport to travel to and from the restaurant.

1.3.6

Monitoring Arrangements

Monitoring the effectiveness of the Travel Plan will be crucial in determining progress and for highlighting any changes required or deficiencies in the Travel Plan that need to be rectified. This is identified as a fundamental role of the Travel Plan Co-ordinator.

Regular monitoring of travel patterns would involve annual staff travel surveys to assess the effectiveness of particular measures within the Travel Plan.

2 Staff Travel Plan

Welcome

Welcome to your restaurant travel plan. Here you will find how to get around the local area and to and from the restaurant without having to use a car.

The restaurant is located to the west of Beach Road opposite the junction with Burnfoot Avenue approximately 1.6 kilometres to the north of Troon town centre.

Getting about on foot or bicycle

The shared footpath/ cyclepath between Panrock Court and Kilmarnock Road, the eastern footway along Beach Road/ North Shore Road and the footways along Burnfoot Avenue are the main pedestrian routes to and from the restaurant.

The shared footpath/ cyclepath runs in and north-south direction and provides a connection to the beach along the western side of Beach Road/ North Shore Road.

The eastern footway along Beach Road/ North Shore Road runs in a north-south direction and connects Barassie Street in the south with Kilmarnock Road in the north, while providing access to residential properties on Arran View, Millrock Court, Panrock Court, North Shore Road, Walker Avenue and Burnfoot Avenue. There is signal controlled pedestrian crossing point immediately to the north of Burnfoot Avenue while dropped kerbs are present across most side roads.

Burnfoot Avenue runs in an east-west and then north-south direction and connects Beach Road with Kyle Drive and Walker Avenue, while providing access to residential properties on Burnfoot Avenue. There are no signal controlled pedestrian crossing points, although uncontrolled crossings with dropped kerbs are present across most side roads.

Walker Avenue, to the east of the restaurant and at the eastern end of Burnfoot Avenue, is served by regular bus services.

Barassie and Troon rail stations are located to the north and south of the restaurant respectively and are accessible on foot or cycle via Beach Road and Kilmarnock Road (Barassie rail station) or North Shore Road and Barassie Street (Troon rail station).

Travelling by bus

There are three bus services available to and from the site of the restaurant via stops on Walker Avenue. There are buses during the day on Mondays to Saturdays to and from Troon town centre and most of the residential areas around the town, as well as some areas outwith the town such as Dundonald, Prestwick and Ayr. Less frequent services operate on Sundays. Bus tickets can be bought from the bus driver or on-line and daily/ weekly/ monthly/ yearly tickets offer multi-journey opportunities at reduced costs.

Stagecoach West Scotland service 10 runs between Troon and Kilmarnock via Dundonald every 60 minutes (Monday to Saturday daytime) and every 90 minutes (Monday to Saturday evenings and all day Sunday) as service 110. Service 10/110 serves bus stops on Walker Avenue. The 10/110 timetable is available via the link below:

https://tiskon-maps-stagecoachbus.s3.amazonaws.com/Timetables/West%20Scotland/10tt_June%204th%202017.pdf

Stagecoach West Scotland service 14 runs between Ayr and Troon every 30 minutes (Monday to Saturday daytime), every 60 minutes (Sunday daytime) and every 90 minutes (in the evenings daily). Service 14 serves stops on Walker Avenue. The 14 timetable is available via the link below:

https://tiskon-maps-stagecoachbus.s3.amazonaws.com/Timetables/West%20Scotland/14-14a_17thSeptember.pdf

Stagecoach West Scotland service 14a runs between Troon and Irvine every 60 minutes (daily). Service 14A serves stops on Walker Avenue. The 14A timetable is available via the link below:

https://tiskon-maps-stagecoachbus.s3.amazonaws.com/Timetables/West%20Scotland/14-14a_17thSeptember.pdf

Travelling by train

Barassie rail station is located to the north east of the restaurant off Kilmarnock Road, while Troon rail station is located to the east of the town centre off St Meddans Street/ Barassie Street and both are within a reasonable walking/ cycling distance. There is storage for 10 cycles available at Barassie rail station and 30 cycles at Troon rail station. Barassie rail station is unmanned although there are customer help points and accessible ticket machines, while Troon rail station has a manned ticket office. There is also CCTV coverage at both rail stations.

At both Barassie and Troon rail stations, there are ramps to both platforms, although access from one platform to the other is by way of a footbridge which has steps. However, at Troon rail station it is also possible to access the other platform by crossing under the railway bridges at either St Meddans Street or Victoria Drive

For more information on Barassie and Troon rail stations are available from the links below:

Objectives

It is considered that the following are reasonable objectives for the restaurant to achieve via the Travel Plan.

Objective One

Encourage the use of alternative modes of transport to the private car and to promote the management of private car usage in order to reduce environmental impacts for all journeys to and from the restaurant.

Objective Two

To encourage safe walking, cycling and public transport trips to and from the restaurant.

Travel Survey Questionnaire

Part of the staff travel plan will be the completion of a travel survey questionnaire by all staff within 6 months of the opening of the restaurant.

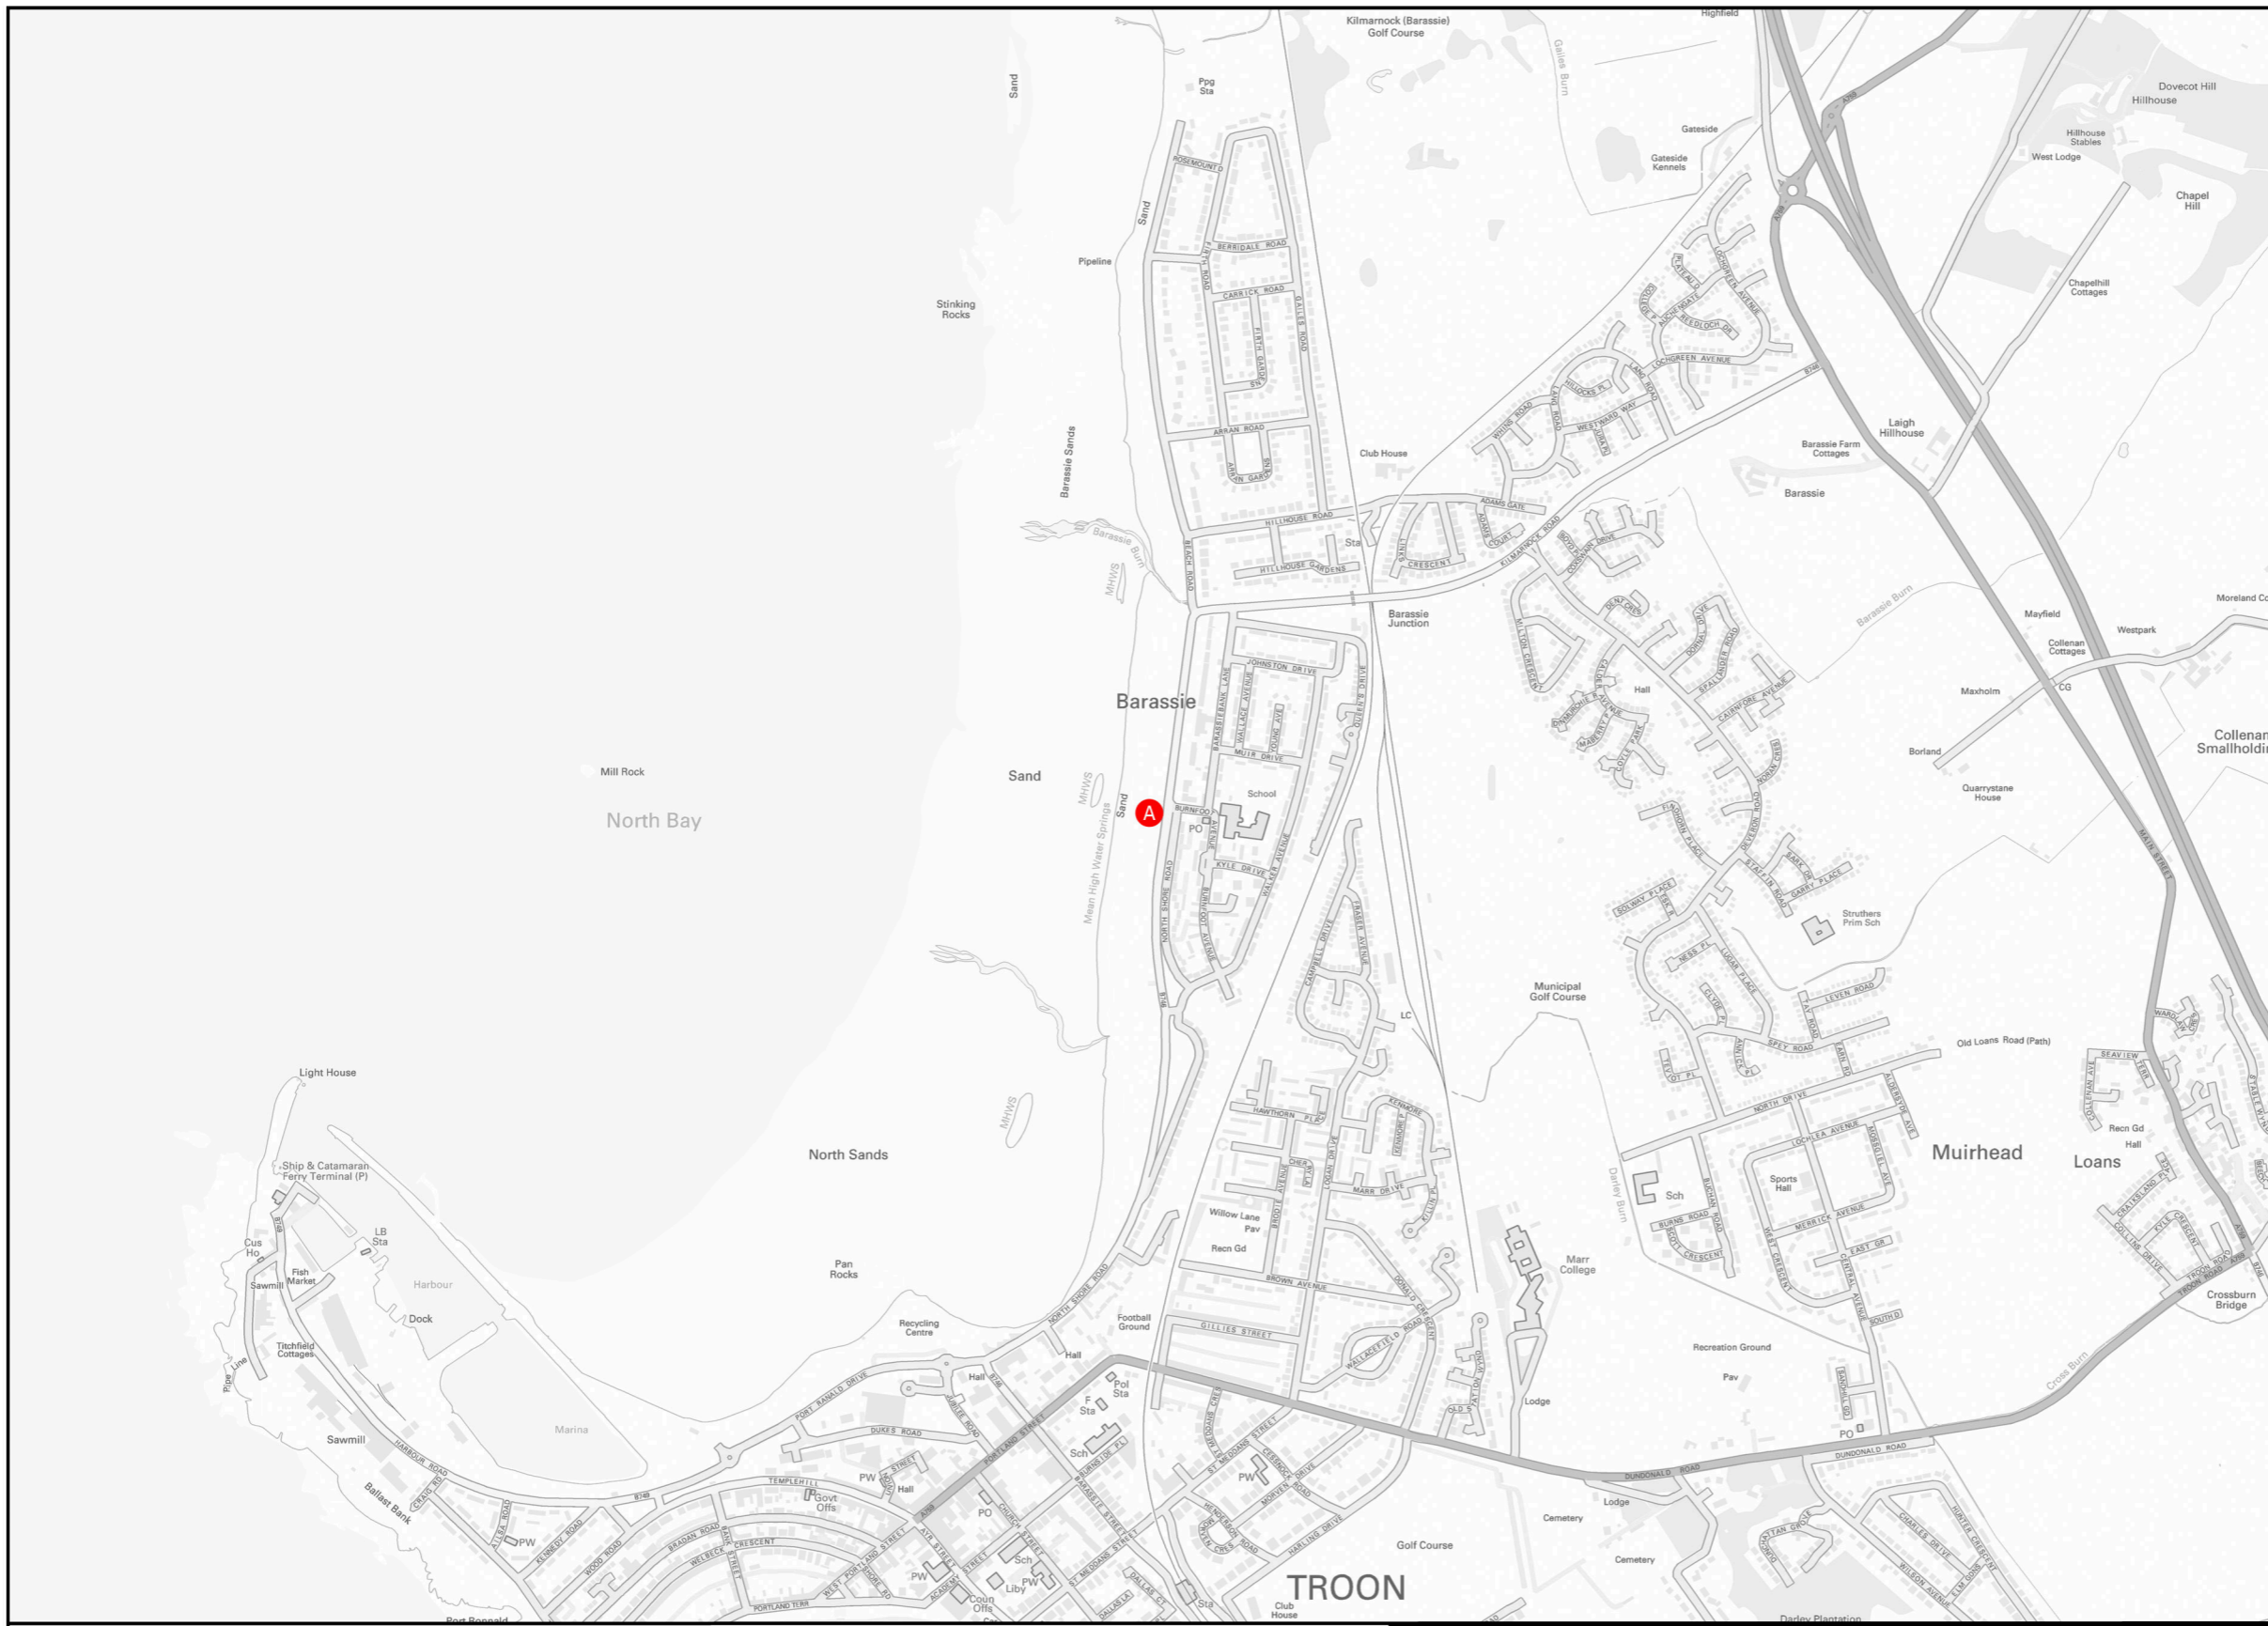

The travel survey questionnaire is likely to follow the sample one set out below:

Sample Travel Survey Questionnaire		
Q1	What is the postcode of the residence that you normally travel to and from	
Q2	What time do you normally arrive at the restaurant to start work	
Q3	What time do you normally depart from the restaurant after finishing work	
Q4	How long does your journey from home to work take (door to door)	
Q5	How long does your journey from work to home take (door to door)	
Q6	What is your principle mode of transport from home to work	
Q7	What is your principle mode of transport from work to home	
Q8	What alternative mode of transport from home to work would you take	
Q9	What alternative mode of transport from work to home would you take	
Q10	What would encourage you to use a more sustainable mode of travel (only applicable to those who don't walk or cycle to and from the restaurant)

Welcome to your new train timetable

We're building the best railway Scotland has ever had. The investment we are making now will transform Scotland's railway for years to come. We're introducing brand new electric trains, recreating an InterCity network with our high-speed trains, and refurbishing many of our existing trains to make them as good as new. This will mean more seats, faster journeys, and even better services. We are also upgrading our stations, rolling out our queue-busting Smartcard, and transforming how we get information to our customers.

The 7,500 staff across the ScotRail Alliance are working day and night to deliver this investment and build the best railway Scotland has ever had.

Glasgow Central – Ardrossan / Largs / Ayr trains	6-18
Glasgow Central – Kilmarnock – Ayr / Girvan / Stranraer trains	6-18
Glasgow Central – Wemyss Bay & Gourock trains	19-26
Ferry connections	27-32

Seat reservations

Reservations are free when you buy an appropriate ticket for a reservable ScotRail service and are available up to 12 weeks in advance. Please note that not all ScotRail services are reservable.

Buying your ticket

You'll always get the best fare if you buy your ticket before boarding your train. You also remove the risk of having to queue for a ticket at busy times when you get off. Find out the different ways to buy your ticket at www.scotrail.co.uk/buy-before-you-board

Assisted Travel

If you would benefit from a little extra help when using our services, you can arrange assistance by calling 0800 912 2901 (or Textphone 18001 0800 912 2 901 if you are hard of hearing), completing the online booking form on our website, or visiting any ScotRail staffed station. Further information is available on our website located in the section Your Journey/Accessible Travel. You can also pick up a copy of our Disabled People's Protection Policy: Making Rail Accessible - Helping Older and Disabled Passengers; from any of our manned stations.

Public holidays

Some services may alter on public holidays. Please check our website before travelling.

Feedback

Please let us know how we are doing by contacting our Customer Relations Team (see back page for details).

PlusBus

PlusBus is an add-on to your train ticket giving unlimited bus travel on most bus services around the whole urban area of your origin or destination.

RailBus

We have an additional range of RailBus tickets that provide onward travel by bus, connecting you to specific towns beyond the rail network.

Rail & Sail

ScotRail works with Scotland's ferry operators to provide combined Rail & Sail tickets.

Edinburgh Trams and Glasgow Subway

Full times of Edinburgh Trams and Glasgow Subway can be accessed at www.travelinescotland.com/subway-tram-operators

Cycles

We carry cycles free on our trains. Reservations are required on some longer distance routes and can be made online at www.scotrail.co.uk, by calling 0344 811 0141, or at many ticket offices. Our Bike & Go cycle hire scheme is also available at selected stations. Find out more, including routes where a cycle reservation is required, at www.scotrail.co.uk/cycling

Connections

In our timetables, connections are displayed in light italics and, unless otherwise shown, customers should change at the previous / next train time shown in bold type. If you're changing trains, please allow adequate time for your connection. A special cross-city bus service between Glasgow Queen Street and Glasgow Central is available, free to valid ticket holders. For full information on travel connections, pick up our Travel Connections Guide at staffed stations, or visit www.scotrail.co.uk/travelconnections

Help us to make your journey as safe as possible

Ensure that you give yourself enough time to catch your train and never try to board or leave trains while doors are closing – please note that train doors close 30 seconds prior to departure time. Remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times.

Please note that trains may divide en route – check with staff that you are in the correct portion of the train.

Smoking, including electronic cigarettes and vaporisers, is not permitted on ScotRail services or within station areas.

Delay Repay

You may be entitled to compensation if your journey has been delayed for 30 minutes or more. Please visit www.scotrail.co.uk for more information.
