Description

Corringham Road Industrial Estate is a popular and well established commercial estate located approximately 2 miles east of Gainsborough town centre. The estate comprises 11 industrial units of varying sizes, constructed in a combination of traditional brickwork and steel portal frame design, providing flexible accommodation suitable for warehouse, manufacturing, trade counter and light industrial uses. Unit 34 offers 2650 sqft of open plan workshop space with office.

The estate benefits from generous on-site parking and circulation areas, together with excellent access to the A631 and wider regional road network. Vacant units are offered following a comprehensive refurbishment and redecoration works ready for immediate occupation.

Location

Corringham Road Industrial Estate occupies a prominent location approximately 2 miles east of east of Gainsborough town centre. Easy access to the A1(M), the A156 and A159 offering convenient access to Scunthorpe, Doncaster and the wider South Yorkshire and Lincolnshire regions.
