The site is located adjacent to Boat of Garten and is bounded to the north by the A95 and a local road to the west that connects the site to the main village. The eastern and southern boundaries of the site are adjacent to farmland for grazing. The site itself has been a sawmill since the 1940's and has since been significantly upgraded over the years. The main operations of the Sawmill take place in the section highlighted in red with the sections marked in blue to the north and south of the site being leased and used predominantly for storage of timber and parking.

The current sawmill has previously operated on land both owned and leased, with the different areas highlighted. The site that is for sale is noted in Red.

Further details on the leased land can be provided on request.

Planning

THE SITE LIES BEYOND THE SETTLEMENT BOUNDARY. IT HAS BEEN IN COMMERCIAL USE AS A SAWMILL FOR OVER 70 YEARS WITH IT FIRST BECOMING ACTIVE SINCE THE 1940'S.

The site would suit alternative uses which may include housing, tourism, or other commercial uses subject to planning. Interested parties should contact Cairngorms National Park Planning Authority for further planning related queries.
