WAREHOUSE / INDUSTRIAL UNIT

| Close proximity to M27 (J9)

| 8.19m eaves

| 200 kVA power

| PV panels

| EV charging

Location

This unit is strategically located between Southampton and Portsmouth at junction 9 off the M27. It provides excellent motorway access and a unique opportunity to an occupier who requires a modern building with 10% office content, clear span warehouse and large secure yard

Unit 6

Unit 6 is constructed with a traditional steel portal frame and clad with insulated profile metal sheet to the elevations and roof. The roof also benefits from approximately 15% day light panels. The external elevations of the building are a mix of profile metal sheet, brickwork and powder coated double glazed windows.

The warehouse area is clear span with an undercroft beneath the 1st floor offices. The 1st floor accommodation is open plan with a kitchen facility and male and female WC's.

Externally the unit benefits from a tarmac car park in front of the offices and a secure irregular shape concrete yard to the side providing access to the unit via 3 ground level electric up and over doors. To the side of the unit behind the yard is a sprinkler tank.
