Modern industrial warehouse unit

Unit B is currently undergoing a comprehensive refurbishment to provide a high-quality, modern industrial facility. The works include the creation of a fully enclosed secure service yard, a new steel-clad composite roof system, and contemporary profiled metal cladding to the front and side elevations.

Brand-new ancillary is being constructed with modern heating and cooling systems, while the warehouse will benefit from a bright, high-quality finish, resin-coated flooring, two large sectional loading doors fronting the secure service yard and dedicated parking to the south of the building.

Location

Barton Business Park is situated on Cawdor Street, just off the main A57 Road, which is the main thoroughfare through Eccles and Patricroft. Junction 11 of the M60 Manchester Circular is located approximately 0.8 mile to the east of the property. The property directly fronts the Bridgewater canal to the rear boundary of the site, and it is adjacent to a small wharf on the southern boundary.

Eccles is located within Greater Manchester and is only 2.7 miles west of the city of Salford and 3.7 miles west of Manchester City Centre, located between the M602 motorway to the north and the Manchester Ship Canal to the south and is also well served by public transport, benefiting from the Metrolink and a mainline railway station within the town centre.

Sustainability

Using our scale to make impactful change

Sustainability has been built into our business strategy since the beginning. With such a large portfolio across so many urban locations in Europe, we can bring about real and positive change through the implementation of our sustainability best practices.

We're committed to reducing the impact of climate change by championing the transition to a low carbon economy. To achieve this, we're already promoting sustainable operations, increasing the climate resiliency of our properties and working alongside stakeholders towards a greener last mile.

Why Mileway?

Choose Mileway because we are Europe's premier specialist in last mile logistics real estate. As the largest company in this sector across Europe, we offer an expansive and strategically located portfolio designed to keep your business moving efficiently.

Our properties, spanning 10 countries, are placed within easy reach of major urban hubs, ensuring you can quickly connect with the consumers, businesses, and communities you serve.

Beyond just location, our commitment to customer excellence and deep market understanding allows us to innovate and add real value to your operations. Furthermore, we drive meaningful change through a focus on sustainability, working to reduce the environmental impact of our properties. Choose Mileway for the strategic space, expert support, and sustainable infrastructure necessary for your long-term, efficient growth.

The North West of England is home to some of the UK's biggest, most important economic powerhouses and business districts, including Manchester, Liverpool, and Chester. This makes the North West a vital location for logistics and industry, demanding commercial spaces with both efficient connections and modern, energy-efficient features.
