The property benefits from good visibility and accessibility, with a central position amongst the town's established retail, commercial and professional occupiers. Its location provides a well-connected position for businesses seeking a presence within Atherton town centre, whilst also benefiting from the surrounding residential population.

DESCRIPTION

The subject property comprises a two-storey semi-detached building, with additional basement accommodation providing useful storage space. The property is of traditional brick construction beneath a pitched slate-covered roof, with a small rear outrigger extending from the main building.

Internally, the accommodation is arranged over ground and first floor levels and was previously utilised as a dental practice. The property benefits from a traditional retail-style frontage, comprising double windows to the front elevation with a centrally positioned entrance door. There is also a small private yard to the rear.

The property may suit a variety of alternative commercial uses, subject to any necessary planning consents. The owner is prepared to undertake minor refurbishment works, or alternatively is willing to negotiate the terms of the transaction to reflect works required by an incoming occupier.
