THE PROPERTY

The property comprises four storage units constructed between 2006-2014. Units C & D are available from January 2026. The units are built with steel portal frames, prestressed concrete panels, profiled metal cladding and fibre cement pitched roofs. All units are classified as Use Class B8 (storage and distribution).

Set in attractive landscaped grounds, amenities include 3 phase power supply with 621.02 kWp of solar providing electricity to the site, external LED floodlights on photocells and multiple Hi - Bay PIR (Passive Infrared) lighting internally. Externally a large concrete apron for HGV turning and loading purposes. Internal floors are power floated concrete. Key operated electric doors measuring approximately 6.00m wide x 5.35m high. Internal and external CCTV. Wessex high speed fibre internet with WiFi boosters. Each Unit is approx 28,500 sqft and available to lease from £5.50 per sqft. The units are available individually or as a whole.

LOCATION

Keysley Farm has excellent access from the A303 via a private tarmacked road. The A303 provides access to the A350 junction in less than 1 mile to the east which offers a direct route north to Warminster and then onwards to Junction 17 M4 north of Chippenham and south to Shaftesbury and Blandford Forum.
