Location

Hatfield occupies a nodal position in the transport network north of the M25. The adjoining towns of St Albans, Harpenden, Welwyn Garden City, Hertford, Potters Bar and Borehamwood all easily accessible.

It is on the A1(M) between Junctions 3 and 4 approximately 6 miles north of the M25 at Junction 23 (South Mimms). The A414 dual carriageway provides a fast-alternative east west link between the M1 at Hemel Hempstead and the M11 at Harlow.

Train services from Hatfield to London Kings Cross / St Pancras / Moorgate are every 15 minutes with a fastest travel time of approximately 23 minutes. There are Piccadilly and Victoria line connections at Finsbury Park (second stop).

This site is located within the main commercial area centered on the station.

Accommodation

The site comprises a secure yard / compound which has a compacted, road planings / scalpings, ground surface with mains water and power and perimeter galvanised palisade fencing and entrance gates.

It is located on the east side of Beaconsfield Close bounded by the main railway line to the east.

This is a highly unusual opportunity to acquire a small yard of this nature particularly within convenient striking distance of the M25 and north London.
