MARKET LEADING SPACE

Crewe 335 is a brand new, market leading distribution unit situated in the heart of Crewe's established commercial area. Strategically located within 7 minutes of the M6 Motorway (Junction 16), connectivity to both the North West and Midlands has never been better.

Located on the former site of the renowned "Old Tea Factory", both Crewe Town Centre and Crewe Railway Station are within walking distance whilst key nearby commercial centres including Manchester, Liverpool, Stoke on Trent, Stafford, and Birmingham can be accessed via the M6.

The unit comprises 335,403 sq ft and has been designed to an enhanced specification that includes various sustainable initiatives that are of critical importance to our stakeholders. The unit has been finished to the highest standards and occupiers will have a best-in-class facility for their future operations. The unit has achieved BREEAM "Excellent" accreditation.

PERFECTLY LOCATED FOR BUSINESS

Crewe is an established commercial location with strategic links to both the North West and Midlands, via the M6 Motorway.

Crewe 335 is well located within 1 mile of the A500 (Dual Carriageway) that links with Junction 16 of the M6 Motorway to the east. The M6 in turn provides excellent direct access to nearby centres including Manchester and Birmingham, as well as the

national motorway network thereafter including the M5, M40, M42, M56, and M62 motorways.

Furthermore, Crewe 335 is positioned prominently with frontage to Weston Road (A532) on the established Crewe Gates Industrial Estate. The site benefits from nearby public transport and cycle routes, whilst Crewe's railway station and town centre are 3 and 6 minutes away respectively (via car).

SUSTAINABILITY AT ITS HEART

BREEAM IN USE

The Landlord will be happy to work with occupiers to obtain BREEAM in Use certification, and have a full consultant team who have worked on the scheme from inception.

ENERGY PERFORMANCE (EPC)

The unit has an EPC "A" Rating.

ENERGY EFFICIENT HEATING & COOLING

Variable Refrigerant Flow (VRF) heating / cooling system with internal ceiling concealed fan coil units fed from external air source heat pump to the offices, and efficient local electric heaters to ancillary areas.

ELECTRIC VEHICLE (EV) CHARGING

The unit provides EV charging spaces, as well as providing ducting to enable further spaces to be constructed in the future.

ENERGY EFFICIENT LIGHTING

Energy efficient LED lighting is provided to the offices, operated by PIR sensors and daylight dimming sensors.

SOCIAL WELLBEING

Crewe 335 combines outdoor wellbeing areas with open plan internal areas with natural daylight to offer staff a pleasant and natural environment. Nearby pedestrian routes offer access to public transport and the unit is within walking distance to the town centre.

NATURAL DAY-LIGHT

10% of the roof panels across the warehouse are translucent, providing plenty of natural day-light.

CAR SHARING

The Landlord can mark spaces in accordance with an occupiers bespoke car sharing scheme.

PHOTO-VOLTAIC (PV) PANELS

A provision of PV panels has been provided under the base build, whilst the roof is structurally designed to support panels across the entirety so the occupier can add more as they wish.

CYCLE PARKING

Covered cycles spaces and shower facilities have been provided.

HILLWOOD

Hillwood is a leader in developing and acquiring high-quality, sustainable industrial and logistics properties across the UK, Europe, U.S., and Canada. Within these core markets we have delivered more than 230 million sq ft combined across 12,500 acres.

Our UK operational experience spans more than two decades and our innovative approach to master planning, commercial development, and property acquisitions

has led to exciting partnerships with landowners and occupiers. Along the way, we've stuck to our belief that we are most successful when delivering creative solutions and long-term value for our partners and customers.

Most importantly, our private ownership and depth of capital allows us to move quickly to identify opportunities, whilst applying the hands-on approach you would expect from a long-term trusted partner. We make your business, our business.

BEST IN CLASS

Development team, technical team, and consultants.

LIVE PROJECTS

In every region of the UK.

FOCUSED

Global reach, focused home team.

IMPORTANT NOTICE Avison Young, Knight Frank and Savills give notice to anyone who may read these particulars as follows: 1. These particulars are prepared for the guidance only of prospective purchasers. They are intended to give a fair overall description of the property but are not intended to constitute part of an offer or contract. 2. Any information contained herein (whether in the text, plans or photographs) is given in good faith but should not be relied upon as being a statement or representation of fact. 3. Nothing in these particulars shall be deemed to be a statement that the property is in good condition or otherwise nor that any services or facilities are in good working order. 4. The photographs appearing in this brochure show only certain parts and aspects of the property at the time when the photographs were taken. Certain aspects may have changed since the photographs were taken and it should not be assumed that the property remains precisely as displayed in the photographs. Furthermore no assumptions should be made in respect of parts of the property which are not shown in the photographs. 5. Any areas, measurements or distances referred to herein are approximate only. 6. Where there is reference in these particulars to the fact that alterations have been carried out or that a particular use is made of any part of the property this is not intended to be a statement that any necessary planning, building regulations or other consents have been obtained and these matters must be verified by any intending purchaser. 7. Descriptions of a property are inevitably subjective and the descriptions contained herein are used in good faith as an opinion and not by way of statement of fact. Updated August 2025.
