TANGIER HOUSE

Tangier House is a newly refurbished office building. The ground and second floors have undergone an extensive refurbishment, providing a CAT A plus fit-out.

The refurbishment works include a completely revamped air conditioning system, new carpets throughout, and modern lighting installed. Each office will be provided with brand new furniture. There is a generous car parking allocation, allowing a tenant to have a total of 12 car parking spaces if both floors are let together.

Each office will benefit from 16 workstations, kitchens, and breakout areas. The ground-floor office will include two meeting rooms and a director's office, and the second-floor office will comprise one meeting room.
