LOCATION

Bridge Street is situated within Oakengates, one of Telford's established commercial areas approximately 2 miles east of Telford Town Centre. The property benefits from immediate access to the A442 Queensway, Telford's principal dual carriageway, which provides direct connectivity across the town and links directly to Junction 5 of the M54 motorway, located approximately 1 mile to the north. The M54 provides excellent access to the West Midlands conurbation, the M6 motorway and the wider national motorway network.

The property is within a short walk of Oakengates train station and Oakengates town centre, providing both strong public transport connectivity and ample amenity.

The wider borough is home to a population of 196,000 which has risen by more than 18% over the past 5 years, providing an excellent labour pool and customer based for the local economy.

DESCRIPTION

The property comprises a detached single-storey commercial building of steel portal frame construction with a combination of facing brickwork and profile metal clad elevations beneath a single-pitched roof. The roof consists of a profile sheet cladding.

The site was previously utilised as a high specification education training facility, which incorporated a workshop and classroom space, breakout area, as well as ancillary stores and WC's. The property benefits from internal LED lighting, as well as air conditioning and a new roof

Externally to the front of the building, there is a large tarmacadam car park which incorporates 15 marked car parking spaces. There are two vehicular access points from the site to the main road, utilised as an in and out set up.

PLANNING

The property is currently utilized as an educational facility and was previously a management training centre (Use Class F1 and D1). Planning consent was obtained in 2020 for conversion into retail units, although it is believed this has now lapsed.
