This is a residential property adjacent to the entrance to the car park serving Florence House and The Studio. The property consists of an end of terrace two storey residential building with brick elevations under a pitched slate roof. The property has been extended to the rear with a two storey brick extension under a flat roof. We imagine that the building was originally a single dwelling but the extension has facilitated its conversion to two flats, each self contained, No 26 being on the ground floor of the building and No 27 on the first floor
