- Electric roller shutter door
- 3 phase power
- Fluorescent strip lighting
- Teapoint
- Overclad roof with no asbestos
- Close proximity to A406, M1 & A5 Edgware Road

Location

The property is situated within Connaught Business Centre, a well established, secure and gated multi-let business centre fronting Hyde Estate Road in The Hyde, Hendon, NW9. Hyde Estate Road lies immediately off the A5 Edgware Road, which in turn provides direct access to the A406 North Circular Road, the A41 and Junction 1 of the M1. The estate is therefore extremely well positioned for both Central London and the national motorway network, and is well suited to occupiers requiring rapid distribution across North and North West London. Hendon railway station (Thameslink) is within walking distance, providing services to St Pancras International and the City, with Hendon Central and Colindale Underground stations (Northern Line) also close by. Numerous bus routes serve the A5 Edgware Road corridor.

The immediate area is predominantly commercial and industrial in character, with substantial residential redevelopment adjoining the estate. Local amenities, supermarkets and trade counter operators are all within close proximity.

Service Charge	Approx. £2,549.70 per annum
Legal Fees	Each party to bear their own costs
VAT	Not applicable
EPC Rating	Upon enquiry

Description

The property comprises a comprehensively refurbished, mid-terrace light industrial and warehouse unit arranged over ground floor only beneath a mono-pitched roof. The accommodation is entirely open plan, offering a clear and highly flexible footprint suitable for a wide range of light industrial, storage, trade and distribution uses.

The unit is of steel frame construction with blockwork elevations. The roof was over-clad approximately ten years ago and contains no asbestos, providing a well insulated, watertight and low-maintenance envelope. An asbestos management survey is to be provided by the landlord for confirmation.

The refurbishment has been carried out to a high standard throughout and includes newly painted concrete floors, painted walls and exposed steel roof beams, together with strip lighting and translucent roof panels which give the unit an exceptionally bright and clean working environment.

Loading is via a new electric roller shutter door served by a dedicated loading bay immediately in front of the unit. Pedestrian access is provided through a fully glazed entrance screen and door, protected by an electrically operated security shutter. Internally the unit benefits from a WC and teapoint, three phase power and allocated parking to the front, with a clear internal height of 3.66m rising to 4.56m.

Tenure

Leasehold - The premises are available by way of a new internal repairing and insuring lease for a term of years to be negotiated subject to periodic rent reviews. Any lease will be contracted outside the provisions of the 1954 Landlord and Tenant Act Part II as amended.

VAT

We have been advised VAT is NOT applicable.

Anti-Money Laundering (AML) Requirements

Interested parties will be required to provide the appropriate information to satisfy current AML regulations at the stage Heads of Terms are agreed.
