DESCRIPTION

11 Fife Street is the ground floor area of an attractive traditional stone multi-storey townhouse, under a slate roof. The entrance to No 11 is around 50m from the famous Dufftown clock tower located in the village square. 11 Fife Street is a flexible ground floor trading unit within the property, previously occupied by an award-winning butcher. This unit extends to the rear where the preparation of fresh meat and cooked meat products occurred and is built using a mix of construction methods. The butcher fitout is still in place, thus enabling regeneration of the original business should that be desired. At this point there is not another butcher in the village and one must travel a significant distance to find one of note. The machinery and tools of the previous business, though not included within the price, are available by separate negotiation. The unit is currently non trading so is being sold with vacant possession. The unit is ideally suited to trade as a retail unit and has a number of flexible spaces, extending to circa 92m².

The business has beneficial access, for example to refuse removal, across the land belonging to The Whisky Capital Inn. There is a small amount of land to the rear of the property which is finished in concrete. There are a couple of connected outbuildings accessed from this land. These are of sound construction at the time of the survey.

REASON FOR SALE

The vendor has owned 11 Fife Street for many years and operated his own butcher's business from it. The butcher's shop has been closed for a couple of years. It is the owner's desire to finally retire completely that brings this well-appointed property to the market.

LOCATION

The properties are situated within the town centre of Dufftown which has a resident population of around 1,700 and benefits from a much larger catchment area. The Historic town of Dufftown is situated in the heart of one of the most stunning areas of Scotland with the Cairngorm National Park just a short drive away. Dufftown is located on the River Fiddich and is the location of several Scotch whisky distilleries; the most popular being the Glenfiddich distillery. Dufftown produces more malt whisky than any other town in Scotland; in fact, a signpost on the way into Dufftown declares it the "Whisky Capital of the World". This declaration puts the town on the famed Malt Whisky Trail. The North East Coast 250 tourist route is only around 5 miles from the town, making a small detour necessary.

The town has a number of visitor attractions which draw in many tourists each year. The hills and coast are within a relatively short drive with an abundance of wildlife within the region. Tourists also enjoy visiting the many historic site and castles in the area. There is a range of sporting facilities including shooting plus salmon and trout fishing on the rivers Deveron, Findhorn, and the world famous Spey. Garten, Grantown on Spey, Dufftown and Keith to name but a few.
