## Location

Norton Folgate offers a unique charm. The blend of Georgian and Victorian architecture, nestled around historic cobbled courtyards and peaceful streets, provides a tranquil escape from the bustle of the City, yet is just a short walk from Liverpool Street Station, Broadgate, Spitalfields Market, Brick Lane, and Shoreditch.

Eldar Yard & Studios is part of a 340,000 sq ft mixed-use development, comprising eight buildings ranging from 10,000 to 120,000 sq ft. Designed by four renowned architects: AHMM, Stanton Williams, Morris + Company, and DSDHA, the project beautifully balances the area's historic character with modern architectural innovation.
