SITUATION

Thatcham is located adjacent to the A4 approximately 3 miles east of Newbury and 12 miles west of Reading.

Access to the National Motorway Network is via the A4 through Thatcham to Newbury and then onto the A339 which connects to the A34 and then to Junction 13 of the M4 Motorway which is approximately 5 miles distant.

Pipers Lane Industrial Estate is situated just to the east of Thatcham town centre and a few hundred metres south of the A4.

DESCRIPTION

This refurbished property is constructed with part brick and block elevations along with profile metal clad elevations and pitched clad roof. The framework is steel portal frame, and the unit is accessed via a roller shutter door and a pedestrian door, both of which are to the front elevation.

Internally the property is laid out with entrance lobby, reception /office, further office then at the rear office, 2 WC's (one disabled) and kitchen.

The entrance lobby is accessed via a uPVC pedestrian door which leads through a further door into the reception area. The reception area and the offices comprise in the main carpeted floors, painted walls, suspended ceilings with inset Category 2 lighting and all offices have windows.

The eaves height of the property is 3.2 metres rising to a maximum 4 metres.

There are two WC facilities, and all have low level toilet with wash hand basin. The kitchen comprises a stainless-steel sink and drainer with fridge and dishwasher together with a gas fired boiler serving radiators in the office and reception area.

Generally, the property has three phase power at 100 Amps per phase and alarm.

Externally there is a tarmac yard which is accessed via steel gates with the boundaries of the site being mainly palisade fencing. Within the yard there is parking for 7 cars and a large loading/unloading area. More cars can be parked if double parked. The yard measures approximately 3,000 sq. ft. (278.70 sq. m.). The site includes a storage container.
