TOTAL AREA
2,163 sq ft

TENURE
Freehold

USE CLASS
E — ideal for a restaurant

LOCATION

The property occupies a prominent position on Chigwell Road, Woodford, within an established mixed commercial and residential area serving Woodford and the surrounding affluent catchment. The property is close to **South Woodford** and **Wanstead villages**. The location benefits from good road connections, with convenient access to the A406 North Circular Road and M11, providing onward connections throughout East London, Essex and the wider motorway network. Local shopping, transport and residential amenities are readily accessible.

PROPERTY DESCRIPTION

The property comprises a substantial mixed-use freehold building arranged to provide spacious ground-floor commercial accommodation together with a self-contained two-bedroom residential flat.

The commercial accommodation is currently arranged and occupied as a tile and bathroom showroom, with the substantial rear kitchen presently operating separately as a dark kitchen. The premises provide a large principal trading area, substantial commercial kitchen, separate preparation area, ancillary storage accommodation and customer WCs.

USE CLASS & POTENTIAL

The commercial accommodation falls within Use Class E and, given the existing kitchen facilities and customer WCs, offers particular potential for **restaurant, café or other food-related uses**, as well as a range of alternative retail, showroom, professional and commercial occupiers, subject to any necessary planning, licensing and statutory consents.

ACCESS & PARKING

The property benefits from rear access together with use of the forecourt area for parking, although the forecourt does not form part of the property's demise.

The residential accommodation is independently accessed from the rear and comprises a living room, two bedrooms, kitchen and bathroom. The flat would benefit from some refurbishment and improvement. Both the commercial accommodation and residential flat will be offered with vacant possession upon completion.
