## Location

Corsham is a popular and growing market town situated on the A4 approximately 9 miles east of Bath and 6 miles west of Chippenham. Junction 17 of the M4 is approximately 8.5 miles to the north.

The development is situated off of Park Lane, adjacent to well established occupiers including Airbus and Bath ASU. Corsham also has a large Ministry of Defence facility located nearby on West Wells Road.

## Description

Units 6, 6A and 6B comprise a brand new light industrial/research and development facility of steel portal frame construction, with steel profile clad and glazed elevations.

Vehicle access to the units are gained via a sectional up and over insulated loading door in the front elevation. Internally, the premises have a minimum clear eaves height of 5.8m.

At the front of the units there are separate pedestrian entrance and WC facilities. Office accommodation could be incorporated at ground and first floor by a tenant.

The premises benefit from a 3 phase electrical power supply, electric vehicle charging point and BT Openreach fibre connection to the property, offering speeds of up to 1GB/s.

Externally the units benefit from a generous car parking provision and loading area.

## User

The units have a B1, light industrial/research and development planning consent and occupiers will need to ensure their use is compliant with the planning consent.

## Accommodation

All measurements are approximate and given on a gross internal basis, in accordance with the RICS Code of Measuring Practice 6<sup>th</sup> edition.
