about

the brewery building occupies a prominent position on the corner of brewery road and york way. the distinctive brick technique used on the upper floors plays with light + shadow to transform the exterior surface into a dynamic and eye catching facade.

designed by squire + partners, the full height glazing ensures natural light floods into all floors, creating bright open spaces.

location

the building is situated on the corner of brewery and york way, kings cross and is less than a 10 minute walk to coal drops yard.

both caledonian road underground station (piccadilly line) and kings cross (northern, piccadilly, victoria, hammersmith + city, metropolitan, circle lines as well as eurostar)
