Welcome to your new
workspace in **Crewe.**

Offices / Coworking / Meeting Rooms

Your professional **workspace** and **business community**.

Crewe is just one of a network of TownSq spaces across the UK.

Offices

Private office space for teams who need a place to call their own, with the flexibility to grow as their business does.

Across our UK network, our offices give you a professional base with the added benefit of being part of a wider business community.

Coworking

Flexible shared workspace for individuals, freelancers, remote workers and growing teams who want more than working from home.

Our coworking spaces give you a desk when you need it, people to work alongside, and the chance to build useful connections.

Meeting Rooms

Professional meeting rooms and event spaces available by the hour, half day or full day.

Whether you're bringing your team together, hosting a client meeting or running a workshop, we'll help you find the right space for the job.

Everything you need to be productive:

- Productive workspace
- Flexible memberships
- Free parking
- Superfast wifi
- Meeting rooms
- Printing
- Access to a kitchen
- Event space
- Networking events
- Business address
- Business support
- Coworking space

More than just a great workspace.

Business Support

Practical support to help you build, grow and move forward.

Navigating the business support landscape can be time consuming.

As part of your membership, you get free access to our platform, Townsq. support - with regular, carefully curated online workshops led by industry experts and a wealth of accompanying resources. Spend your time running the business.

Admin Support

Extra help to keep things running smoothly.

Whether it's booking flights, taking calls, or making sure you get content out on socials - we're the extra pair of hands that get your tasks completed. An extension of you and your team, we're here to help you get more done.

Better still, you get up to an hour a month of admin support included in your membership. Head to townsqadmin.co.uk and book a call with one of the team for more details.
