Description

Constructed in 1997, Enterprise House is centrally located within Bartley Wood Business Park, enjoying a high profile setting overlooking Griffin Way South (B3349), the main spine road through the development. The property is of traditional brick construction over three floors, with a secure main entrance and reception adjacent to the private car park at the rear of the building. Each floor is easily accessible from the main reception via the stairs and lift, and so the building is well suited for either single or multi-tenant occupation on a floor by floor basis.

Amenities include 4 pipe fan coil air-conditioning, raised access floors, suspended ceilings with recessed lighting, WC and shower facilities plus a passenger lift. The property presently provides a mix of open plan and partitioned offices, meeting rooms, board room, 1st floor Comms room plus staff canteen.

Location

Bartley Wood Business Park is situated a few minutes from Junction 5 of the M3 motorway, which is one of the least congested junctions on the M3. The motorway gives access to London, Heathrow and the M25 to the east, with Southampton, Basingstoke and Portsmouth to the south west. Hook benefits from excellent rail connectivity with the railway station just a 10 minute walk from the business park, and provides a direct one hour and 5 minute service to London Waterloo. Bartley Wood is located adjacent to Hook town centre, and therefore is only a short walk from the range of amenities which includes a Tesco Superstore.

Accommodation

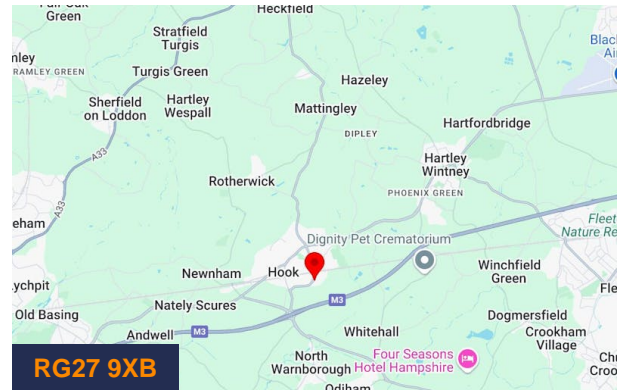

Name	sq ft	sq m	Availability
Ground - Reception	544	50.54	Available
Ground	7,179	666.95	Under Offer
1st	7,262	674.66	Available
