Peterborough

The Peterborough industrial market is an essential part of the UK's broader industrial and logistics sector. Located in the East of England, Peterborough benefits from its strategic positioning, offering strong transport links via the A1(M), A14, and direct access to London, which makes it an attractive location for businesses looking for distribution hubs or manufacturing spaces. Due to its proximity to key transport corridors, there is strong demand for warehouses and distribution centre's, particularly from e-commerce, retail, and logistics companies.

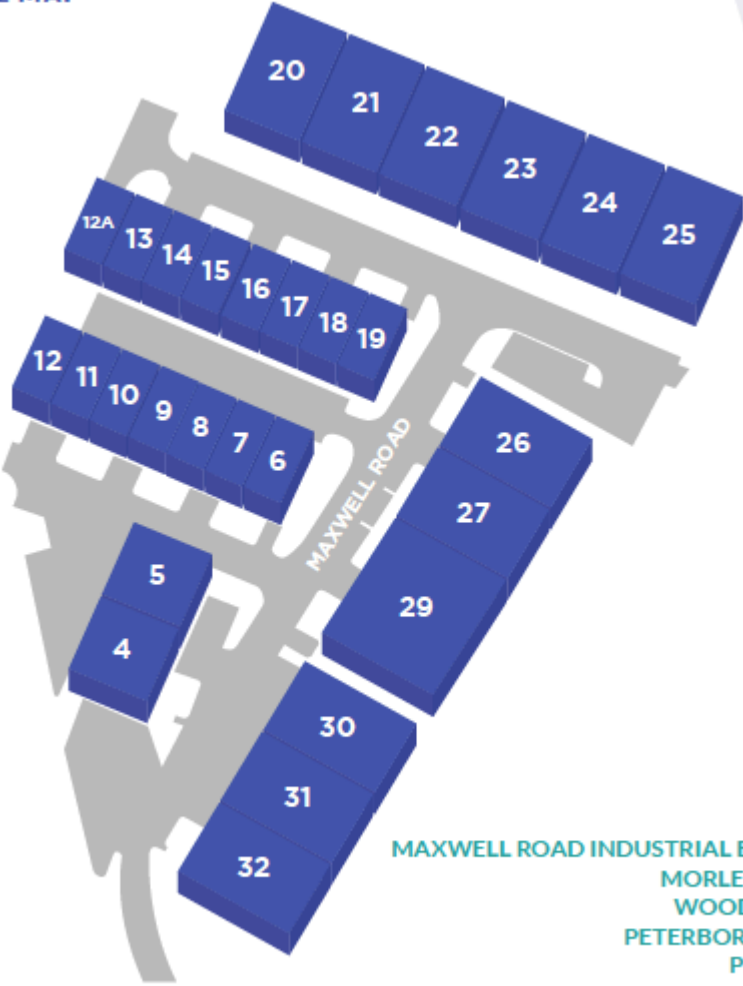

- The total population within the Peterborough Primary Retail Market Area is estimated at 298,000 with a Consumer Base of 475,000 which are both significantly above other regional centres.
- Peterborough is projected to see significantly above average growth in population within its Retail Market Area over the period 2023-2028 .
- Peterborough attracts both domestic and international visitors to its historic city centre with Norman Cathedral
