## THE PROPERTY

Situated in approximately 2.9 acres of the Dorset Countryside, Saxon Holiday Lodges comprises of 4 privately owned leasehold holiday cottages and 10 privately owned holiday lodges subject to pitch licence agreements of 125 years each, as well as the former piggery of traditional stone construction, currently providing office, laundry and machine storage space. In addition to this are the 2 luxury cottages, The Cow Shed (sleeps 4) and Stags Retreat (sleeps 2), which fall under the ownership of the vendors. The two holiday cottages have been rated as a 5 star barn conversion, which has been carried out to an excellent standard, each with striking and contemporary open plan living spaces, with vaulted ceilings, integrated luxuriously fitted kitchens, utility areas, bathrooms and en suite bedrooms. Each cottage boasts an open terrace with hot tub and outdoor furniture with stunning views across the countryside. The freehold interest includes the title on both cottages and the piggery, which, together with the 4 cottages and 10 holiday lodges form an exclusive, peaceful and secure gated holiday complex. The complex is accessed via an electronically controlled gate to a shared gravel driveway, with private parking and electric vehicle charging available on site.

There is currently a planning application for 3 further holiday lodges to be added to the site under planning reference P/FUL/2024/04791. If successful, this provides further scope for additional income from the sales and/or letting of the new lodges.

## THE BUSINESS

A fantastic and versatile business opportunity with four different income streams not only from the 2 owned holiday lets themselves (1 x 1 bed and 1 x 2 bed luxury lodges) but also from plot fees due from the 14 privately owned leasehold holiday cottages and licenced holiday lodges. The third income stream is available from the maintenance of the property, which can be carried out either by the freeholder or contracted out if preferred. There is also excellent potential from a fourth income stream generated from letting the tenant's properties, with exclusive rights for doing so falling to the owner of the freehold title. Plot fees are reviewed annually in line with inflation.
