Accommodation

Description

Appledore Maritime Innovation Centre offers six workshops, office space and collaborative breakout areas with meeting rooms, all designed to support Next Generation Sustainable Maritime Initiative.

With flexible, short-term leases for R&D projects, the centre is ideal for easy-in, easy-out leases designed to support accelerated development cycles and rapid innovation.

The site comprises an 83m usable quayside plus a slipway, within the Taw-Torridge Estuary and wider Celtic Sea, providing direct access to diverse water depths, tidal ranges, sea states and weather conditions for testing and deployment.

Parking

The accommodation benefits from free parking and a cycle store, along with easy access for occupiers and visitors.

Gateway Policy

A gateway policy is in place. Priority will be given to tenants that can demonstrate alignment with the maritime industry sub-sectors and technologies.

Further details can be provided upon request.

Services

We are advised that all main services are connected to the premises. We confirm that we have not tested any of the service installations and any occupier must satisfy themselves independently as to the state and condition of such items.

Sustainability

The property has a number of eco-friendly features:

-  On-site EV charging
-  Solar PV Panels
