

THE
DEPARTMENT STORE

Studios

SQUIRE & PARTNERS

Coming soon to Brixton

Create and grow your ideas at The Department Store Studios our new local workspace, launching soon as a platform for businesses in Brixton.

Offering beautifully designed private studios and flexible workspaces, with access to fully serviced social and meeting areas. The Studios will also be home to a neighbourhood bar, restaurant and screening room.

As a natural addition to The Department Store story, we will commit to helping businesses succeed by offering a programme of events curated to share skills, inspire creativity and expand local networks.

Our programmes

INTERNAL PROGRAMMES

We commit to helping business within the building to further succeed by skillsharing through lectures and workshops.

The Department Store Studios offers events focused around inspiring successful businesses.

The Department Store Studios supports people with the tools they need to succeed.

EXTERNAL PROGRAMMES

We commit to engaging our local community and encouraging our members to give young people access into creative careers through work experience and mentoring.

The Department Store Studios hosts a residency programme which gives free workspace to local entrepreneurs with business coaching and practical support included.

Our location

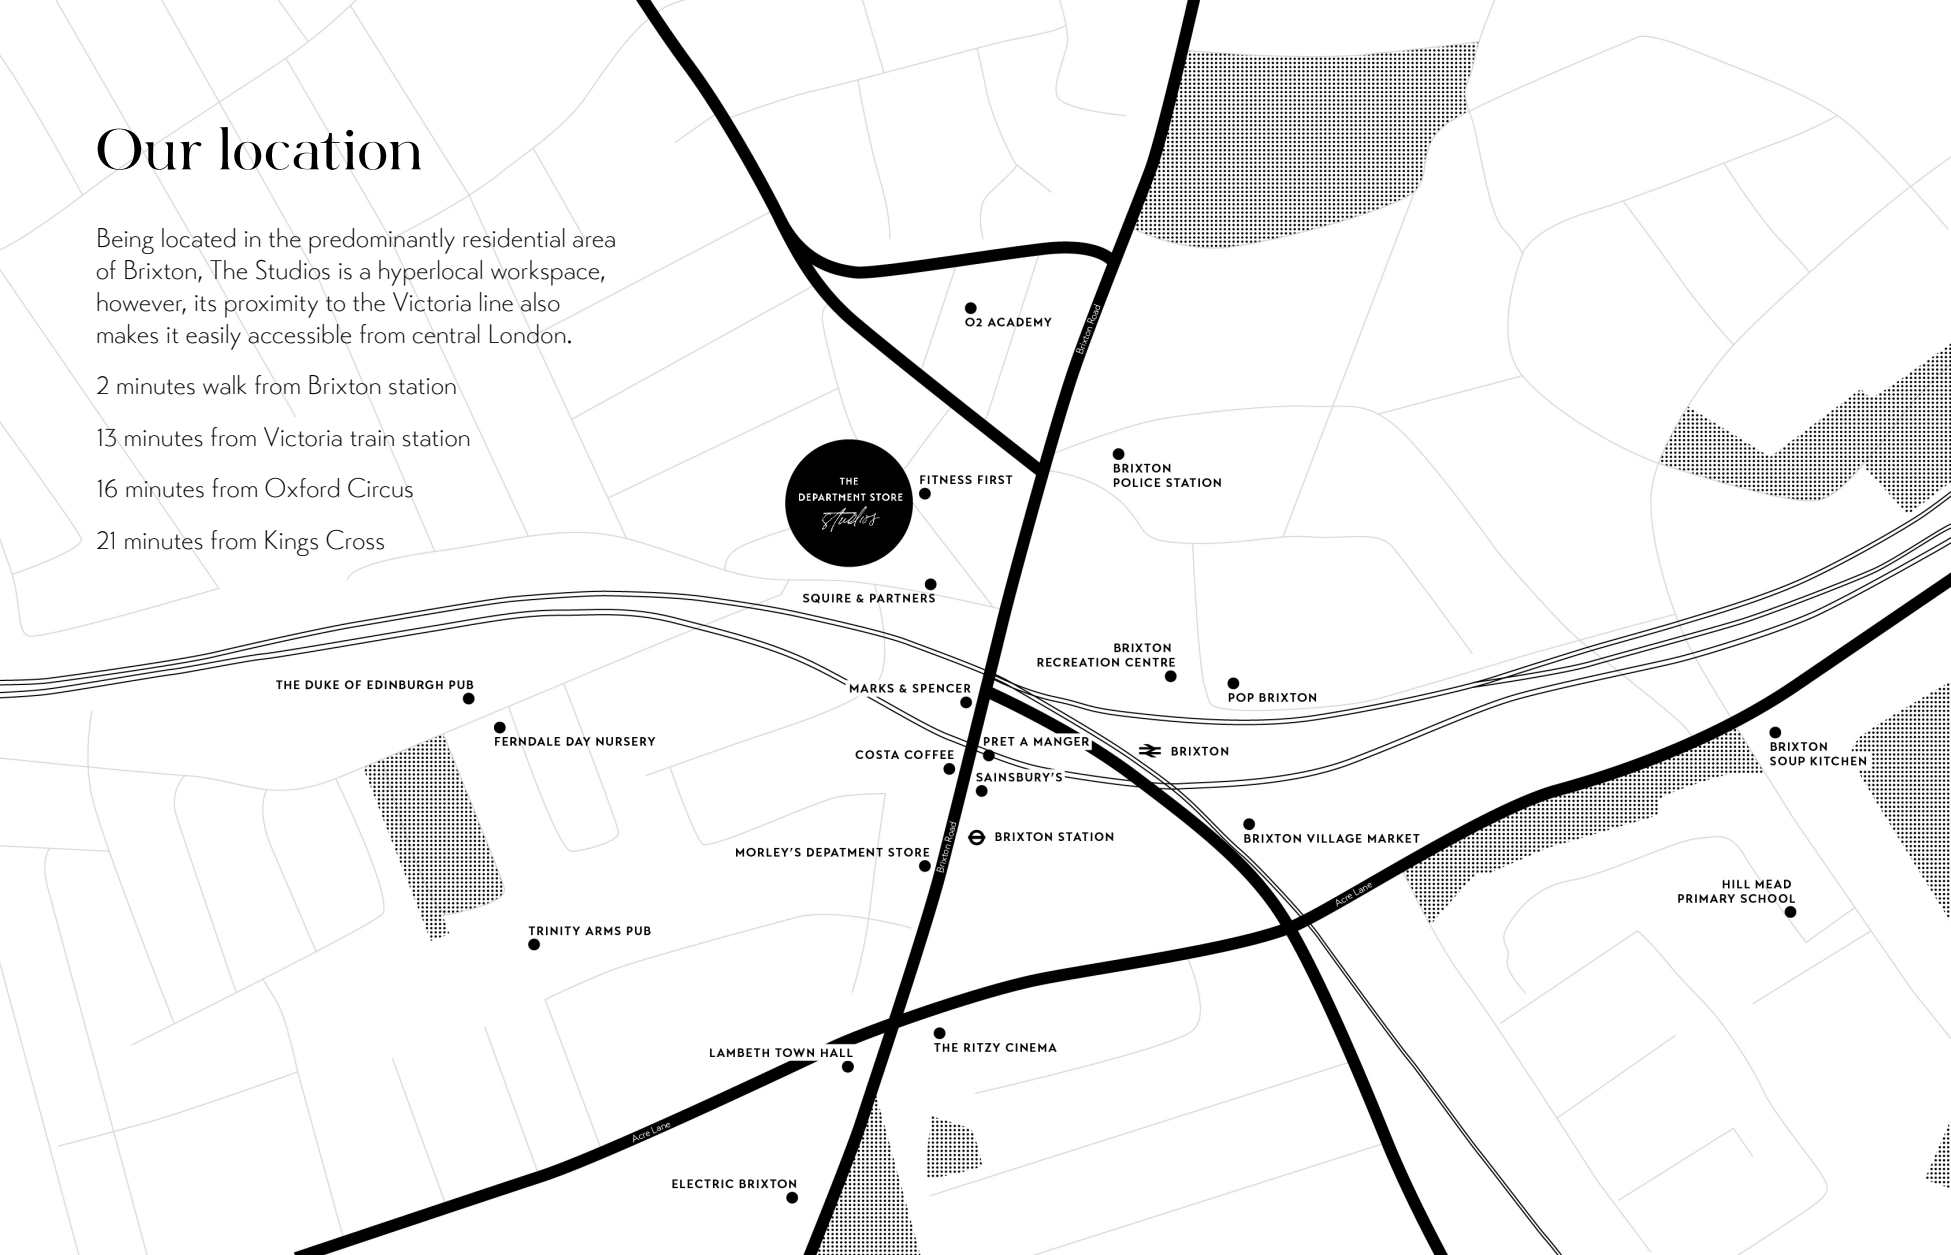

Being located in the predominantly residential area of Brixton, The Studios is a hyperlocal workspace, however, its proximity to the Victoria line also makes it easily accessible from central London.

2 minutes walk from Brixton station

13 minutes from Victoria train station

16 minutes from Oxford Circus

21 minutes from Kings Cross

Office for today

Cleanliness

Our fully serviced offices are cleaned and sterilised throughout the day.

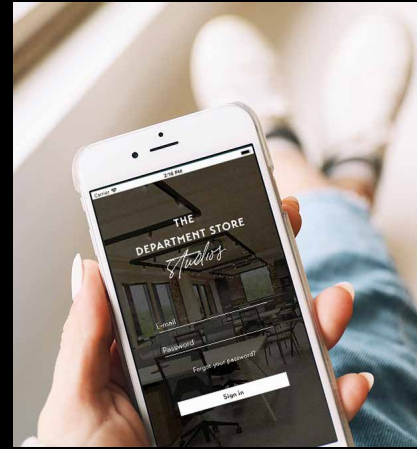

Hand sanitising stations located throughout the building.

Air quality

All offices and meeting rooms have openable windows so that the building can be naturally ventilated rather than relying on recirculated air.

Airy high floor to ceilings.

Touch points

Door lock and unlock functionality from your phone.

Sensor taps.

Virtual community.

Online events.

Transport

Being a local workspace means you may not need to take public transport.

If you do need to travel longer distances, we have increased cycle storage, showers and laundry facilities.
