Description

Olympus Business Park is a modern light industrial development located in Finningley, Doncaster, adjacent to Doncaster Sheffield Airport. It comprises a small number of newly built units forming a new multi let industrial estate ideal for a range of small/ medium sized businesses. MOT/ Car servicing uses will not be entertained (clean uses favoured) however all enquiries will be assessed on their own merit.

Unit 8 provides 1292 sqft of open plan shell fit out of duo steel frame construction, with full height factory finished steel cladding with angled fascia and soffits. The unit has a generous 4.25m door height with eaves of 5.4m and ridge of 8m.

Location

Olympus Business Park is a strategically located development adjacent to Doncaster Sheffield Airport, positioned approximately six miles south of Doncaster city centre. The site offers excellent connectivity, with the M18 motorway just 1.5 miles away, providing convenient access to the wider regional and national road network. It is well served by key local routes, including the Great Yorkshire Way and the A6182, which ensure efficient links to surrounding areas and support ease of travel for businesses, employees, and logistics operations.
