Location

The property is situated on the eastern side of Basset Court, a development of 16 modern office units immediately adjacent to Junction 15 of the M1 Motorway and approximately 4 miles to the south of Northampton town centre.

The property forms part of a mixed commercial and residential area known as Grange Park. There are 2 hotels and a roadside restaurant in the immediate vicinity of Basset Court and large warehousing / distribution facilities make up the remainder of the development. A relatively modern housing estate lies immediately to the north and east, set back further from the surrounding road network.

Accommodation

The property comprises a mid-terrace, two-storey office building within a courtyard development, accessed via private estate roads. It includes 9 allocated car parking spaces, with paved pedestrian walkways leading to the principal entrance at the front elevation. Constructed approximately 20 years ago as part of the wider Grange Business Park, the building features traditional brick and tile construction with contrasting coloured piers and lintels. Windows are double-glazed within uPVC frames, and access is through a centrally positioned steel-faced entrance door.

Internally, the ground floor includes an entrance lobby, staircase, kitchen, two WCs (one DDA compliant), and a service cupboard. The ground floor office space is arranged with a suspended tiled ceiling, recessed lighting, dado trunking, and solid floors with carpet tiles. It is currently subdivided into a meeting room, a partitioned office, and a file storage area. The first-floor office space follows the same specification but is open-plan.
