GENERAL DESCRIPTION

Longport Enterprise Centre is an established industrial site under new ownership and is currently going through a process of refurbishment of the empty units and complex generally. The site extends to approx. 3.4 acres and briefly comprises four principal blocks of units subdivided to create a wide range of industrial/warehouse units all of which are independently metered and accessed via their own roller shutter access. All the units are steel framed and have recently been over-clad in metal profile cladding (with a 20 year guarantee) giving the units a modern and fresh appearance. Internally the units have been redecorated and have refurbished toilets and a private office.

LOCATION

Longport Enterprise Centre is located at the end of Scott Lidgett Road, which is off Porthill Road (A5271), and is within 300 yards of A500 dual carriageway via the Porthill Roundabout making the site extremely accessible by road. The A500 provides direct access to Junction 15 of the M6 (6.3 miles) and Junction 16 of the M6 (6 miles) and the A50 which ultimately links the M1 is 4.6 miles. Longport Railway is within a ¼ of a mile.
